

Chapter 1 : A perfect scoundrel (eBook,) [theinnatdunvilla.com]

A Perfect Scoundrel is a regency re-release that was originally published in The first part of this book was difficult to find a footing to like. Between the self-absorbed, drunken reprobate of a hero and the fawning, self-esteem lacking heroine it was hard to keep going with this work but I did and I am glad that I did.

My last two forays back into HR have been very disappointingly filled with Beta heroes. Her plainer stepsister named Jane falls in love with him through watching how he charms her stepsister the stepsister never wanted him. On the night of one ball Jane decides to pretend to be her stepsister, jus This was about a man leaning to be a man. With the unconditional kindness of his wife, our H goes from truly being the nasty rake we think are in other books, to becoming the man his father saw in him. This guy was truly a selfish man and that was seen in his thoughts and actions. These were not just told to us but shown to us. Wanting to drown the little kitten, trying to beat a duck, distaste for anyo He might not have been a bad person, but he raped her and then was really verbally cruel afterwards. He feels the cards are stacked against him and he has no chance against her other suitors Unfortunately, he compromises the wrong sister and he is forced by his father into marrying Jane unless he wishes to be cut off forever. The heroine is plain and goes unnoticed my When he hears that another competitor will be asking for her hand in marriage, he decides to be caught with her during a masquerade ball in a scandalous position, forcing her to marry him. Moriah I liked the prose style and the voice a lot, but I liked watching the village and house makeover. I liked the farming details. I liked the parts of the story that did not involve the romance itself. Mydearloverboy almost 5 stars I felt that there could have been more intrigue and more ups and downs in the plotline I felt that the hero changed his heart too abruptly to my liking Lord Quentin was in love with Clarissa Edwardes. Maura Two different heroines. At first, in the beginning of the book, she is vapid and silly - a complete doormat who falls in love with a complete toad the hero is a complete asshole for the first half of the book - I kinda liked it. Here is a heroine that is so naive that she thinks a woman gets pregnant Its mystery and glamour is naturally a recipe for excitement and the first few chapters were quite promising. When the masquerade happened, what should have been an anticipated scene was a bit of a letdown for me. Perhaps the twist in the story has been used often enough, I just repelled to the cliché. Yet somehow the angst in the aftermath sought to draw me bac As before, he is still bitter and jealous of his older brother who he blames for all his unhappiness. Despite his looks and charm, he feels that no one would accept him because of his lack of title and small estate. He is in love with the seasons beauty and decides to compromise her as he cannot compete with her othe Jane I really loved the storyline to this book. I was prepared for the best, only to find it was a little lacking. The author has wonderful talent, and she could write circles around some very big authors, but the issue I had with this book was the hero. I loved the fact that Jane was overshadowed by her very beautiful step-sister, Clarissa, and that Quentin thought himself very much in love with her. The storyline was perfect! As the story went on th The first part of this book was difficult to find a footing to like. Between the self-absorbed, drunken reprobate of a hero and the fawning, self-esteem lacking heroine it was hard to keep going with this work but I did and I am glad that I did. The second part of the book really took off and made for a story worth pursuing. Ana I could have loved this book more, had the heroine had a spine. She is way too forgiving for my taste. Quentin was a complete bastard in treating her the way he did. Eventhough he turns out to be a better man in the end, I needed more grovel. He absolutely did nothing to earn her compassion in the first place. Thank God for the power Clarissa, while sweet was a doormat Time and good people help bring about maturity and strength in both. They learn together, teach each other and basically grow together - the makings of a good marriage after all. While the time frame of all this growth is a little eyebrow rais I found this book very good and could not put it down. I would say a must read and I too hope you love it like I did! Affected my entire view of the story resulting in the low rating. Being Human I really loved the first half..

Chapter 2 : A Perfect Scoundrel by Heather Cullman

A Perfect Scoundrel by Heather Cullman In the follow-up to For All Eternity, a perfect scoundrel finds perfect love Lord Quentin Somerville is smitten with society's most sought-after beauty.

Perfect Scoundrels is the third book in the Heist Society Series. Hale the fifth were born to lead completely different lives: Kat comes from a long, proud line of loveable criminal masterminds, while Hale is the scion of one of the most seemingly perfect dynasties in the world. So instead of being the heir—this time, Hale might be the mark. Forced to keep a level head as she and her crew fight for one of their own, Kat comes up with an ambitious and far-reaching plan that only the Bishop family would dare attempt. She was in the middle of Wyndham woods, about to steal a Monet painting at the big house, when Hale found her. After talking for a bit about how the Monet was a fake, Kat decided to go as she had been caught, but Hale wanted to follow her. Kat was unsure about the idea, but let him come with her eventually. They were in the middle of the job, when Marcus called Hale over. Hale unexpectedly went off from the job, leaving Kat confused. After hearing the news, Kat went to find Hale. They talked for a bit, but Hale left with his family. There, Kat meets Silas Foster, the director of research and new product development. At the will reading, Hale inherits the family company over his parents and other relatives. But as he is a minor, the family lawyer Garrett is named the trustee until Hale is. Kat visits Marianne again; she says Hazel wanted to fire Garrett and never would have made him trustee. Kat is afraid someone is trying to con Hale. Marianne suspects Hazel kept a copy of her will in her antique puzzle desk. Kat goes to Belgium to recruit Nick to help. He steals blueprints of the museum from his mom at Interpol. The plan is to spill coffee on the desk so that it has to go to the camera-free repair room where Kat can search the desk all night. Even though it all goes according to plan, Garrett and Hale who were called when the desk was damaged, interrupt Kat in the repair room. Garrett finds the extra copy of the will and burns it. Hale accuses the others of going behind his back and breaks up with Kat. But the device appears to be malfunctioning. They are interrupted by Garrett and forced to hide in the closet. Kat apologizes profusely for not telling Hale the truth about his family and they reconcile, kissing. Silas says someone has stolen the original functioning prototype and the design blueprints. If the prototype is sold, Hale Industries will likely go bankrupt. The buyer agrees to wait until after the annual Hale Gala, and Garrett says the prototype is being stored at the impenetrable Superior Bank of Manhattan. Hale appears on stage drunk, but is interrupted by the return of his long-lost Uncle Reginald, played by Uncle Eddie. Garrett immediately recognizes the con and threatens Kat and her entire family. Kat finds her father in Venice and discovers Hale has been cut off. Kat runs into Natalie again and has Angus follow her. Through a bug, they overhear that the plan for Garrett to become the trustee was all her idea, but Garrett went too far. He admits he forged the DNR form that killed Hazel and he forged the will. Hale overhears this and is enraged. Kat decides to take matters into her own hands and meets with Garrett alone. Garrett agrees and they set a meeting for the next day at Niagara Falls. Garrett hits him, and Eddie falls over the edge. Garrett meets the second buyer on a train in Switzerland, and sells her the prototype and blueprints. The Bagshaws blow up the train tracks so the train is diverted to France, where Garrett is arrested by Interpol. She gives Hale back the prototype and the blueprints for Genesis. Kat explains she did all this because she wanted Hale to have the opportunity to go back to his old life if he wanted to. At the final Hale Industries board meeting, Marianne is unveiled as the original trustee, and accepts her position as temporary CEO of Hale Industries. Silas says plans for Genesis have gone ahead partly because the patent filed with the patent office, which was thought to be phony, mysteriously became the original patent.

By day, she is Lady Georgiana, sister to a duke, ruined before her first season in the worst kind of scandal. For years, her double identity has gone undiscovered. Brilliant, driven, handsome-as-sin Duncan West is intrigued by the beautiful, ruined woman who is somehow connected to a world of darkness and sin. After six unsuccessful Seasons, Miss Minerva Dodger chooses spinsterhood over fortune-hungry suitors. But thanks to the Nightingale Club, she can at least enjoy one night of pleasure. At that notorious establishment, ladies don masks before choosing a lover. A man of remarkable talents, Ashe soon deduces that his bedmate is the unconventional Miss Dodger. Intrigued by her wit and daring, he sets out to woo her in earnest. Yet Minerva refuses to trust him. How to court a woman he has already thoroughly seduced? After graduating from the University of Texas, she wrote training manuals, press releases, articles, and computer code, but something was always missing. When she read a romance novel, she not only became hooked on the genre, but quickly realized what her writing lacked: He gives *Bad Blood* a whole new definition. Maybe men can change. My father would never approve. My father taught me how to fight. I walk home from a bar and take the wrong path. And witness a brutal crime. And then he tells me the most terrifying thing of all. His name is Bones.
