

Chapter 1 : The Best Physics AS and A Level Notes

The Best Physics AS and A Level Notes, Revision Guides, Tips and Websites compiled from all around the world at one place for your ease so you can prepare for your tests and examinations with the satisfaction that you have the best resources available to you.

SAT II Physics Our Process High achieving students from across the world get in touch and decide to dedicate hours of time in constructing the first set of draft notes for a subject We get in touch with other students and content specialists to validate the content and thoroughly check against the syllabus The team at ZNotes work with the students to bring the signature look and feel to the notes making sure they are beautiful yet concise Final checks are conducted and the notes are proofread before being added to the website Always striving for perfection! We keep a close eye on comments and record any typos or mistakes found, to correct and update immediately A huge community of learners on Slack study together, use the revision notes and help each other to make sure you do the very best on your exams. Join the community here Testimonials I owe a lot to ZNotes. Thankfully we discovered ZNotes before our exams, which helped us gain access to tons of material on our subjects organized in a clean and easy to read manner. We saved lots of time by using the notes from the website, which enabled us to study more efficiently. The notes are crisp and concise with all the important information filtered out for you to revise. This is the just perfect revision and I would like to appreciate the founder, Mr. Zubair, who has wholeheartedly dedicated his time to really sculpt this learning hub. And therefore course books were never a big help. Plus writing long notes was also a big struggle. ZNotes are highly reliable! Adeen Atif Thank you very much to the people who made such notes. May God increase your knowledge and keep showering His blessings on you guys. I have already spread word of this site to NYC classmates and on their behalf I would like to thank you again, so thank you very much and keep up the great work! What you have done for humanity is unheard of and you deserve a knighthood. Whenever I believe that humans have strayed too far from God, I think of the creator of ZNotes and my heart is at peace. Thank you for being a legend. Christine Asalam Alaikom brother. Thank you so much for sharing these notes with others. Anonymous yo yo yo guys One would truly and genuinely appreciate thine notes being thrust onto the infinite and tragic medium that is the internet! One would receive much better International General Certificate of Secondary Education Business Studies grades as a result and therefore have a brighter and more fulfilling future in the overwhelming world of humanity. Thank you eternally in advance! Your guidelines are also very helpful. Lots of prayers for you.
