## Chapter 1 : Women in American History | Awards | LibraryThing

*In Christian Sisterhood, Race Relations, and the YWCA, , Nancy Marie Robertson shows how women of both races employed different understandings of "Christian sisterhood" in their responses. Although the YWCA was segregated at the local level, African American women were able to effectively challenge white women over YWCA racial policies and practices.*

But there are many additional research topics that may not be as predictable. The following are just some of the broad! These records contain information about YMCA program activities, relationships with local community leaders, and the social and political situations in the various countries. Some topics that could be studied in these records include: Some topics that could be studied in these records include the following: Almost all items are available in the Archives collections.
