

Chapter 1 : Level 3 | English news and easy articles for students of English

Contemporary English second edition has refined the content and skills adult ESL students need to know to survive and thrive living in the United States. The emphasis.

You can use filters to search for people at your level, by country, or by gender female or male and speak with them via Skype. You can also easily write to people via a form and you will be informed about new people who are ready to talk with you. There are also conversation topics and tips on how to start communication with new people. We hope that you will find a lot of new friends for daily conversation in English and that this project will help you improve your English speaking skills! Have a nice day, Do you like "Speak in Levels"? You can learn quickly and after some time you will not have to translate into your own language. You will simply understand. Why should you do this? When you listen to people in your native language, you do not translate. The same has to be in English. When you learn English, you have to learn the whole sentences in context. Students, who translate English texts, do exercises and do tests are very good at translating, doing exercises and doing tests, but they have problems with understanding English in real life. In real life, nobody waits for your translation. People usually use simple English when they speak but they use it fast. You have to understand with no translation to your native language. If you translate, you cannot be part of communication because you are thinking about the language too much. These words are maybe hard to read but they are true. You also have to hear every new word 5 to 10 times if you want to remember it. If you read and hear the same words again and again, you will understand them and remember them. If you know words from one level, you can go to a higher level and learn new words. It is important to go step by step, and read and listen to words which are used in English often. This is what we do with our news. In our short news, we use words which are used in English often. Level 1 has the most important words. Level 2 has the most important words, Level 3 has the most important words. So, if you want to understand English fast and learn fast, read two articles or more a day. You can improve your reading and listening quickly when you read easy English news. We will help you learn English fast and understand it. When you use this website every day, you can learn words which you need for communication with anybody in English. How to improve your English with News in Levels: Reading Read two news articles every day. Read the news articles from the day before and check if you remember all new words. Listening Listen to the news from today and read the text at the same time. Listen to the news from today without reading the text. Chat in our Facebook Group for 2 minutes. Speaking Choose one person from the Skype section. Talk with this person.
