May 02, Nataliya rated it really liked it Recommends it for: Fans of humorous urban fantasy Shelves: Basically, the stakes were high and the stress reached the previously unknown heights. By then my poor average-sized brain has been fully stuffed with all Let me tell you how a wisecracking Chicago wizard-for-hire with the most rotten luck imaginable won a permanent spot in my heart, making me a devout Dresdenite. By then my poor average-sized brain has been fully stuffed with all the medical trivia it was able to handle. Have you ever met an overcaffeinated, freaked out, sleep-deprived, shaky med student with bloodshot eyes and propensity to quote at you random basic medical science facts in a high-pitched shaky voice? If so, it was probably before Step 1, and this is an honest representation of what my friends and I looked like: Anyway, physically unable to study any more, I stumbled upon this book on my Kindle app. And this is how Harry Blackstone Copperfield Dresden, he of the magical staff and a black leather duster, entered my life. In the week that followed, I got through most of the series - 11 books at that point in time. I was not a murderer [I was a wizard. Wizards control their power. They use it to discover, to protect, to mend, to help. I even forgave him the annoying and eyeroll-inducing case of old-fashioned chivalry towards women. Plus, his assistant is an erotica-obsessed formerly-evil spirit living in a skull - how can anyone not love that? It does not aspire to be life-changing or profound, it does not try to be the capital-L literature that was an excuse to use my favorite Pratchett quote: You start with a good breakfast. My name is Harry Blackstone Copperfield Dresden. Conjure by it at your own risk. When things get strange, when what goes bump in the night flicks on the lights, when no one else can help you, give me a call.

Jim Butcher the Dresden Files Series Set (Book): Storm Front, Full Moon, Grave Peril, Summer Knight, Death Masks, Blood Rites, Dead Beat, Proven Guilty, White Night, Small Favor, Turn Coat, Changes.

Beschreibung bei Amazon First published by Roc Books in , The Dresden files is a contemporary fantasy novel organically intertwined with elements of mystery; authored by Jim Butcher the books are written from the first person perspective of primary protagonist Harry Dresden, a wizard and private investigator. The world of the Dresden Files. Humanity is largely unaware of the monsters and myths that roam about their world and it comes down to Harry Dresden, a private detective savvy in the magical arts, to maintain this veneer of peace, a consistent barrier between the natural and the supernatural. Their hearts ripped out, Harry finds himself cornered, with accusing hands pointing towards his arrogant self for the crime at hand; eventually connecting the brutal crime with the missing Victor Sells and the nefarious drug ThreeEye, Harry must weather the accusing hand of the white council in his attempts to exonerate his good name and return to his rightful place as defender of the weak. Kim Delaney, who Harry aided in gaining control over her magical abilities during Storm Front, is seeking additional assistance in the creation of three magical circles utilized for containing magical creatures. Unwilling to reveal this information, Harry turns his attention to Lt. With the park leader, Parker, at his heels, it will take all the brain and brawn Harry can muster to disentangle the notes surrounding Tera West, Parker and Harley McFinn, even while trying to look past the villainy of Marcone in an effort to help the suspicious fellow find salvation. Even grittier than Storm Front, Fool Moon tells a bloody tale, revealing the true nature of lycanthropy and the savagery that drives those caught in its throes, even while finally allowing Harry Dresden to shine as a bad-ass wizard; a true hero disguised in the grizzly adornments of a detective. Other Media The Dresden files has made several attempts to make that most lucrative jump from page to screen, finally achieving a semblance of this goal in , following the release of the The Dresden Files TV series for Sci-Fi. This prequel to Storm front finally published through , winning a Hugo Award for Best Graphic story, a nod to Jim Butcher and his work with Dabel Brothers; production of the Storm Front adaptation would run into some delays after the title was transferred to Dynamite entertainment from Dabel Brothers, the 6th issue finally hitting the shelves in With the pen and paper role playing game finally released in by Evil Hat productions, The Dresden files is considered a cult classic, beloved by a hard core fan base of readers determined to carry the story and its iconic character to greater heights. Jack Reacher is back! Family secrets come back to haunt Reacher when he decides to visit the town his father was born in. Because when he visits there he finds out no-one with the last name of Reacher has ever lived there. It leaves him wondering - did his father ever live there? He can speak many languages including Farsi, and initially worked for the CIA before deciding to go the route of an author.

Chapter 3 : The Dresden Files Series by Jim Butcher

The Science Fiction Book Club has gathered many of the Dresden books into hardcover omnibuses: Storm Front, Fool Moon, and Grave Peril are collected in Wizard for Hire; Summer Knight and Death Masks are in Wizard By Trade; Blood Rites and Dead Beat are in Wizard at Large; and Proven Guilty and White Night make up Wizard Under Fire. No plans have been announced for subsequent omnibuses.

Although the supernatural is still widely discredited, it is practiced by some members of society. Additionally, large portions of the globe such as much of Central and South America are mentioned as being largely under the control of supernatural factions. The White Council is an organization of human wizards, noted to wield significant economic power in the world, along with their supernatural power. Each species in the series humans, faeries, vampires, etc. The human wizards depend on the White Council, while faeries may belong to either of two Faerie Courts , or none at all. Vampires may belong to any of four vampire courts. As the series progresses, Dresden takes on an increasingly important role in the supernatural world at large, as he works to protect the general public, making getting by as a working wizard and private investigator difficult for him. He finds himself facing off against an increasing variety of creatures including other wizards , while facing the realization that his various cases may all be tied together behind the scenes and that his role might be even greater than he is willing to admit. Publishing history[edit] Jim Butcher decided to become a professional author at the age of He wrote three novels within the fantasy genre, one of which he has classified as paranormal. He went on to describe all three books as being "terrible". Vampire Hunter series by Laurell K. Hamilton , rather than the more traditional high fantasy that had been his focus in the past, as Butcher had previously stated that he enjoyed the Anita Blake series. His writing teacher declared it to be publishable, and Butcher started hunting around to do just that. During this period, he completed the second novel, Fool Moon , and had made significant progress on the third, Grave Peril. Deciding to focus on agents and editors who had already published similar novels, Butcher targeted Ricia Mainhardt, the agent representing Laurell Hamilton, and submitted a copy of his manuscript. Subsequent novels in the series have been published annually since then, with the most recent novel, Skin Game, published in May Omnibus editions have been released by the Science Fiction Book Club , with each of the four volumes reprinting two or three of the novels in the sequence. Volume six, Blood Rites, was released in July From book seven onward, each new book was directly published as hardcover and paperback both. Orbit Books purchased the series for UK publication, and released the first novel, Storm Front in September €”five years after the initial US release. They then proceeded to publish two books per month. In November , Orbit Books announced that they had purchased the rights to Changes, the 12th novel, as well as the 13th Dresden novel, Ghost Story. Originally, all except Ghost Story have been narrated by James Marsters. The cover art for the series was created by Chris McGrath.
