Understanding and Using English Grammar (with Answer Key and

This textbook focuses on the fundamental grammar structures normally taught in basic or introductory courses. Each of the units are presented in a two-page spread, with simple, clear explanations on the left-hand page and abundant practice exercises to check understanding on the right. This new edition includes an Audio CD with example sentences, more detailed explanations, more exercises per unit, ten units of new material and a new section of Additional Exercises which give students the opportunity to consolidate what they have learned. An answer key is included. An edition without answers is also available. Basic Grammar in Use can be used as a class text or for self-study. Teachers using a main course book in lower-level classes may wish to assign Basic Grammar in Use as a reference guide so that students can look up grammar points that cause them difficulties. Cambridge University Press Designed for high-beginner to low-intermediate level learners, this American English edition of Essential Grammar in Use focuses on the fundamental structures of English grammar normally taught in basic or introductory courses. The easy-to-use layout is inviting to learners: Appendices deal with phrasal verbs, spelling and irregular verbs. The contents and index are clearly organised so that teachers and learners can easily find the unit or grammar point they need. There is a separate answer key for individual use and self-study. The key also provides a handy reference for teachers. Each unit is a two-page spread that presents a specific grammar point on the left-hand page and provides practice exercises on the right. An unique combination of reference grammar and practice, the books in this series can be used as classroom texts or for self-study. The Grammar in Use workbooks provide students with further opportunities to practice difficult grammar points and to consolidate their understanding of related grammar topics, such as different ways of expressing the future. They offer a wide range of activity types that include opportunities to work with grammatical structures in meaningful contexts. The workbooks also include review sections for each group of units in the student books. These groups, such as the Present and Past, Modals, and Articles, are listed in the table of contents of each student book. Essential Grammar in Use With Answers: Cambridge University Press Essential Grammar in Use is a grammar reference and practice book for elementary learners.
