It offers you free lessons, grammar, exercises, daily sentences , quizzes and many more. For easier navigation, this website is divided into following 5 parts: It is a kindergarten Marathi language course. But that can be done later on in your free time. Here you will learn sentences of daily use. Each lesson is not more than a 10 minutes read. The most boring part of any language. But here, grammar is kept as a backup. In case, you are not getting the clear picture from lessons, visit grammar pages for corresponding lessons. It is okay if your grammar is less than perfect. Learn the language for the people, not for the grammar teacher. Your first step should be to communicate your message in Marathi. Perfection will come with the time and practice. When you learn a new language, you have to memorize alien words which do not make any sense to your brain. This is the toughest part and this is where most of the people give up. Each lesson is provided with revision exercises and quizzes. Lessons are for reading and understanding Marathi. Exercises are for speaking Marathi. This is the section where you can actually test your knowledge and gain confidence to move ahead to the next lesson. Daily Marathi This section is daily updated with a Marathi sentence along with its complete analysis explaining meaning of an each word, related grammar and similar sentences. Marathi Books Various books for learning Marathi that are available online are listed in this section. Readers are recommended to buy one of those books to reinforce your study from this website. Reap the benefits of learning Marathi in only 30 days. Enjoy the learning experience.
