The Washouts Road to Friendship, titled On the Road to Friendship by some sources, is the nineteenth episode of season eight of My Little Pony Friendship is Magic and the one hundred and eighty-eighth overall. In this episode, Trixie is invited to bring her magic show to Saddle Arabia, and she can think of no one better to bring along than her great and powerful assistant Starlight Glimmer. The episode begins with Trixie putting on a magic show in Ponyville, with Starlight Glimmer serving as her stage assistant. Trixie greatly impresses the crowd of ponies with her disappearing act of escaping from a locked trunk. He asks Trixie to perform her show in Saddle Arabia, but Trixie is unsure about traveling such a far distance, especially considering the poor condition of her traveling caravan. Upon hearing that she has a lot of fans in Saddle Arabia, Trixie goes to the school to tell Starlight and invites her to come along on the trip, and Starlight eagerly accepts. Off on the road to friendship Starlight and Trixie are off on the road to friendship. As Starlight and Trixie set out on their road trip to Saddle Arabia, Trixie notes that her caravan might be too small for the both of them and understands if Starlight wants to back out of the trip. However, Starlight is very excited to go on a trip with her best friend and mentions that there are plenty of inns to choose from on their way to Saddle Arabia. After some time spent traveling, Starlight and Trixie stop in the desert village of Somnambula. After hours of waiting in line, they try to check in at the Get On Inn for the night, but there are no vacancies left by the time they reach the front desk. Upon finding that all of the inns in the area are full, Trixie briefly blames Starlight for not making a reservation but quickly apologizes for getting frustrated. Road trip tension starts to rise. When they perform a magic show in the village square later that day, their increasing frustration with each other negatively impacts their performance. The road to friendship splits Trouble on the road to friendship. On the second night of their stay in Somnambula, Starlight and Trixie passive-aggressively air their grievances with one another during a campfire. Their frustration and anger toward each other eventually results in Trixie letting Starlight have the entire caravan to herself while she sleeps outside in the bushes so that they can each have their space. The next morning, Trixie awakens to discover her caravan is gone. Even though she kept all of her personal belongings and magic supplies in the exchange, Trixie breaks down in tears over losing her precious caravan, and Starlight accuses her of valuing her caravan more than their friendship. Over the bump in the road Starlight apologizes to Trixie for trading away her wagon. However, he advises that they return to Ponyville instead of continuing on to Saddle Arabia in their exhausted condition. Back in Ponyville, Starlight apologizes again for ruining their trip to Saddle Arabia, but Trixie remarks that even time spent on the road by herself can be irritating. Nonetheless, Starlight is glad that they made the attempt, and Trixie agrees, believing the experience made their friendship stronger than ever. You can share all kinds of things. Twilight Sparkle and Princess Cadance: Sunshine, sunshine, ladybugs awake! Clap your hooves and do a little shake! If I cannot convince you to bring your tour to Saddle Arabia, I must be prepared to relate its magnificence to your many fans there. When would I have done that? Your snoring is a bit, um I had my village convinced we were being attacked by bears every night. Do you suppose the Terrifying Trunk Escape is too much for a pony who drinks all the juice and talks non-stop in her sleep?! Because her roommate snores like an ura major?! So diligent of you to go over it and over it in your sleep. It seems there is trouble on the road to friendship.
