In and around Athens it is time to pay homage to the game that we all know and love—football! Each year, the families, friends, and staff of The Georgia Club kickoff the football season at the Clubhouse Veranda with the finest showing of red and black you have ever seen. Member guests are invited to our very own tailgate style menu with hamburgers, hot dogs, jerk chicken skewers and more. Always a favorite, Hairy Dawg will be in attendance to say hello, or in this case—Woof! Does your family have an athlete of its own? Kids of The Georgia Club are welcome to participate in the Spirit Sprint—be sure to wear your team uniform—and run through our balloon arch! Football season in the south is hard to describe if you are not from around here. It is a time when good friends become friendly rivals and home cooks become master chefs. It is a season steeped in tradition and filled stories that will live on as great memories. Many times I would fly to the games in helicopters and be taken to the stadium. Once we were flying to Athens and I knew that my childhood friend and neighbor, Larry Benson, was having a pregame party at his parents home on Dearing Street. As we approached the stadium, I asked my pilot to flyover the party. I calmly exited the aircraft and walked across the street to join the festivities as the helicopter flew off to its landing spot. It was my grandest entrance ever! From buffalo chicken dip to a steaks on the grill, there are an abundance of choices when it comes to what to eat on game day. There are even whole websites dedicated to tailgate food—check out this one by The Tailgate Guru! Featuring a wide assortment of chips, dips, finger foods, and tailgate favorites, you can relax and take in the day without breaking a sweat. From breakfast biscuits and pastries for those early games, to full dinner with sides for the late ones, we have options for every Saturday in Athens. To inquire or order your Tailgate to Go, contact Morgan Chapman. Are you feeling inspired yet? Chili is the perfect tailgate food because it can easily feed a crowd and it is SO versatile. Whatever you choose to do—have fun and be safe! Special thanks to Steve Cole for the fabulous video, and to Chef Ray for the chile recipe some great ideas on how to serve it!! See you between the hedges!

You are our angels. We always listened to Larry no matter where we were during the games. Even in the stands, we listened to the radio to see what Larry was saying. I know you will be there in their hearts. We love you and can never forget you. I will listen for the echo of your voice calling the TECH game. Say "hey" to my dad- your biggest fan. God Rest you both. Thank You for all of those unforgettable calls and play by play action that brought so much excitement to Georgia Football. Kelly Gibbs November 25, Now you can call the Tech game from Heaven with my husband spotting for you I know the 2 of you will get along as he has been on the sideline in heaven for 2 years now!!! Hunker Down Larry and David Gibbs. May you both rest in peace!!! Barry Russell November 25, I hope Mr. Muson will say hello to my dad up in heaven. I know my dad will say thank you. And I would like to say thank you to his family for sharring him. Thank you to his family for sharing him for all these years with the Bulldog nation. He gave me many, many hours of great listening. We will always remember you and your place in Bulldawg Lore. What a blessing it has been for many years to hear him announce the games. I have been a bulldog fan all of my life and as a young boy I grew up on a farm and would listen to you on the truck radio as I would take a break from working in the fields or the tractor and feel like I was sitting on the front row of Sanford stadium. I was in my forties before I ever got a chance to attend a game and it was just like you would say on Saturday,s about getting the picture. I was honored about 4 years ago to meet him at the Gala and have my picture with him which is proudly displayed in my living room. Larry you may be gone but you will never be forgotten. May God bless your family and the bulldog nation in this time of sorrow. November 25, May God bless you and your family in this time of sorrow. Mac Haile November 25, My memories of Larry began as a child of 5 or 6 years old and continued through nearly every football Saturday since. I like the entire bulldawg nation have been blessed to be able to hear you for so many years. Hunker down up there! Lisa Parson November 25, At the end of each life is a legacy of love.. My deepest condolences to the family and friends. As the days and weeks pass and as you return to life routine, may you continue to feel comforted by the love and support of God, family and friend James 4: Prayer goes out for all family and rest in peace. I feel as though a part of me has died. He will forever be remembered. He was the "Voice of Georgia Bulldogs! Wade Alford November 25, My earliest memories of Georgia football all involve listening to Larry painting a picture of the game for me with his voice. As an adult, I never went to a game without having a radio of my own to hear him. Larry Munson was as important to me as the game itself. I will always be a Dawg fan, but a part of the game for me will be forever gone. There will never be another Larry Munson. God bless you, your family, and the Dawg nation. My childhood was filled with the dread of facing such superior opponents game after game. I will always treasure your gravelly voice and the picture you painted. Hunker Down in Heaven. I never realized I talked so much about the joy Larry gave me from being a child in to a middle age adult in My dad shared Larry with me and I shared him with my son. We all mourn him but cherish his memory. Sorry I never got a chance to meet you in person. My favorite call involved my favorite football player of all-time: Kevin Butler, who beat my least favorite football team of all-time: Your call of that lengthy field goal will stay with my forever. November 24, We will miss you. Larry was a true legend. Kate M November 24, Your pictures and phrases are in my house and even though I was young when you were an annoucer, I still remember you as a legend Erajh Panditaratne November 24, My deepest condolences to the Munson family, Mr. I grew up listening to him and will forever remember him. He said what I was thinking and feeling. Bruce Hux Larry

was the best bar none UGA was blessed he came our way. My heart and prayers go out to you and hope the joy and memories made throughout his life will ease the pain of his passing. Thank you for sharing Larry with us the Bulldawg Nation all these years, as he led us on many a memorable day, urging our teams to "hunker down" and celebrating the "sugar falling out of the sky. The excitement and color was there just as he had described them. I "got the picture. God speed and God bless. Ricky powe November 24, I spent all my life in the small town of Cairo. Because of that I was kinda on the fence with my loyalty. Thank you Larry I heard evryone of your famous calls. Even when Georgia was on tv i would turn down the volumn and listen to Larry on the radio. I know you are now on some lake up in heaven pulling in trout with an eye on the game Thanks for the memories Mr. That game was the first I herd Larry Munson and for the next 26 years I turned down the volume on the tv and listened. We love you Larry RIP.
