

Chapter 1 : King James Version Bible – Havarazzi

The KJV is the originally published KJV text from A.D. using archaic English.

Printing[edit] Archbishop Richard Bancroft was the "chief overseer" of the production of the Authorized Version. Bitter financial disputes broke out, as Barker accused Norton and Bill of concealing their profits, while Norton and Bill accused Barker of selling sheets properly due to them as partial Bibles for ready money. In the Universities of Oxford and Cambridge successfully managed to assert separate and prior royal licences for Bible printing, for their own university presses – and Cambridge University took the opportunity to print revised editions of the Authorized Version in , [65] and This did not, however, impede the commercial rivalries of the London printers, especially as the Barker family refused to allow any other printers access to the authoritative manuscript of the Authorized Version. Marginal notes reference variant translations and cross references to other Bible passages. There are decorative initial letters for each Chapter, and a decorated headpiece to each Biblical Book, but no illustrations in the text. The original printing was made before English spelling was standardized, and when printers, as a matter of course, expanded and contracted the spelling of the same words in different places, so as to achieve an even column of text. Punctuation was relatively heavy and differed from current practice. On the contrary, on a few occasions, they appear to have inserted these words when they thought a line needed to be padded. The first printing used a black letter typeface instead of a roman typeface, which itself made a political and a religious statement. It was a large folio volume meant for public use, not private devotion; the weight of the type mirrored the weight of establishment authority behind it. When, from the later 17th century onwards, the Authorized Version began to be printed in roman type, the typeface for supplied words was changed to italics , this application being regularised and greatly expanded. This was intended to de-emphasise the words. Many British printings reproduce this, while most non-British printings do not. Almost every printing that includes the second preface also includes the first. Much of this material became obsolete with the adoption of the Gregorian Calendar by Britain and its colonies in , and thus modern editions invariably omit it. Later editors freely substituted their own chapter summaries, or omitted such material entirely. Pilcrow marks are used to indicate the beginnings of paragraphs except after the book of Acts. It was not until that a Scottish edition of the Authorized Version was printed – in conjunction with the Scots coronation in that year of Charles I. However, official policy favoured the Authorized Version, and this favour returned during the Commonwealth – as London printers succeeded in re-asserting their monopoly on Bible printing with support from Oliver Cromwell – and the "New Translation" was the only edition on the market. Bruce reports that the last recorded instance of a Scots parish continuing to use the "Old Translation" i. Geneva as being in The Geneva Bible continued to be popular, and large numbers were imported from Amsterdam, where printing continued up to in editions carrying a false London imprint. During the Commonwealth a commission was established by Parliament to recommend a revision of the Authorized Version with acceptably Protestant explanatory notes, [81] but the project was abandoned when it became clear that these would nearly double the bulk of the Bible text. After the English Restoration , the Geneva Bible was held to be politically suspect and a reminder of the repudiated Puritan era. A small minority of critical scholars were slow to accept the latest translation. Hugh Broughton , who was the most highly regarded English Hebraist of his time but had been excluded from the panel of translators because of his utterly uncongenial temperament, [85] issued in a total condemnation of the new version. Hobbes advances detailed critical arguments why the Vulgate rendering is to be preferred. For most of the 17th century the assumption remained that, while it had been of vital importance to provide the scriptures in the vernacular for ordinary people, nevertheless for those with sufficient education to do so, Biblical study was best undertaken within the international common medium of Latin. It was only in that modern bilingual Bibles appeared in which the Authorized Version was compared with counterpart Dutch and French Protestant vernacular Bibles. First of the two was the Cambridge edition of , the culmination of years work by Francis Sawyer Parris , [98] who died in May of that year. They undertook the mammoth task of standardizing the wide variation in punctuation and spelling of the original, making many thousands of minor changes to the text. In addition,

Blayney and Parris thoroughly revised and greatly extended the italicization of "supplied" words not found in the original languages by cross-checking against the presumed source texts. Blayney seems to have worked from the Stephanus edition of the Textus Receptus, rather than the later editions of Beza that the translators of the New Testament had favoured; accordingly the current Oxford standard text alters around a dozen italicizations where Beza and Stephanus differ. Though I speak with the tongues of men and of angels, and have not charity, I am become as sounding brass, or a tinkling cymbal. There are a number of superficial edits in these three verses: Scrivener, who for the first time consistently identified the source texts underlying the translation and its marginal notes. Norton also innovated with the introduction of quotation marks, while returning to a hypothetical text, so far as possible, to the wording used by its translators, especially in the light of the re-emphasis on some of their draft documents. Academic debate through that century, however, increasingly reflected concerns about the Authorized Version shared by some scholars:

Chapter 2 : King James Bibles from the period - Antique Family Bibles and Early English Bibles

In this edition of the King James bible there is a publishers preface of 8 pages just before the Apocrypha section, which is sandwiched between the old and new testament.

Because of changing conditions, another official revision of the Protestant Bible in English was needed. The reign of Queen Elizabeth had succeeded in imposing a high degree of uniformity upon the church. However, the failure of the reign of Queen Elizabeth I to succeed in imposing a high degree of uniformity upon the Church of England. Protestantism was reinstated as the official religion of England after the short reign of Mary I in 1558, who had attempted to restore Roman Catholicism in the country. Never authorized by the crown, it was particularly popular among Puritans but not among many more-conservative clergymen. Preparation and early editions Given the perceived need for a new authorized translation, James was quick to appreciate the broader value of the proposal and at once made the project his own. By June 30, 1604, James had approved a list of 54 revisers, although extant records show that 47 scholars actually participated. They were organized into six companies, two each working separately at Westminster, Oxford, and Cambridge on sections of the Bible assigned to them. Richard Bancroft, archbishop of Canterbury, served as overseer and established doctrinal conventions for the translators. The new Bible was published in 1611. In contrast to earlier practice, the new version was to use vulgar forms of proper names. The translators used not only extant English-language translations, including the partial translation by William Tyndale. The wealth of scholarly tools available to the translators made their final choice of rendering an exercise in originality and independent judgment. For this reason, the new version was more faithful to the original languages of the Bible and more scholarly than any of its predecessors. The impact of the original Hebrew upon the revisers was so pronounced that they seem to have made a conscious effort to imitate its rhythm and style in their translation of the Hebrew Scriptures. The literary style of the English New Testament actually turned out to be superior to that of its Greek original. Some errors in subsequent editions have become famous. Beginning in the middle of the century, they increasingly turned to more-modern translations, such as the Revised Standard Version, the New International Version, and the New Revised Standard Version. The King James Version, however, remained a popular source for the more famous Psalms and for the Gospels. Yet among English Catholics the King James Version was widely accepted from the 18th century; moreover, when the Douai-Reims Bible was updated in the mid-17th century, the translator, Richard Challoner, a convert from Protestantism to Catholicism, largely worked from the King James Version. The King James Version is still the favoured biblical translation of many Christian fundamentalists and some Christian new religious movements. It is also widely regarded as one of the major literary accomplishments of early modern England.

Chapter 3 : King James Bible

The King James Bible is the AUTHORIZED Version of the Bible--the name says it all, "Authorized Version," and "Authorized King James Version". The King James Version is known in Britain, where it was translated, as the "Authorised Version."

Faith Where does faith come from The King James Bible of , or any of its editions "Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth. It is a heart problem! Look around you and understand the time you are living in. The darkness is indeed coming upon us all. A sluice box is a long, open-ended trough containing many riffles. It rests on trestles. The trestles provide for a uniform and gradual descent. Material is placed in the head of the sluice box. Water flows continuously through the material, washing it and breaking up any clumps. The lighter material is then carried away, while the gold and the heavier materials are trapped in the pockets formed by the riffles. Gold is caught here! Are ready for this? I will make this announcement. I am a dog. This is a message that runs counter to the opinions of this old world. This is a message from the messenger to you. It is even a vapour, that appeareth for a little time, and then vanisheth away. The Falling Away The churches in the main since have abandoned the faith. The so-called Christianity of today is very traitorous to Jesus Christ! The New Testament Bishop The bishop is an elder who shepherds or leads the local flock of born-again believers by example. A bishop, therefore, is the overseer in the local New Testament Baptist church. The Authorized Version or any of its editions The Bible with its 66 books was given to us by GOD. What is the big deal about the KJV Bible? After seeing all seven of these videos

The Bible text is printed in double columns in Black letter Gothic font. Ends with a complete Psalter with musical bars ending with colophon Title: An early and very attractive quarto sized King James Bible.

Chapter 5 : The Story Behind The King James Bible

The King James Version (KJV), also known as the King James Bible (KJB) or simply the Authorized Version (AV), is an English translation of the Christian Bible for the Church of England, begun in and completed/published in

July 17, at 6: Allow me to share a gift which is with me, and which I AM giving you free of charge. Caveat Notice is hereby given to the readers, For the Sword is sharp, to wit: Article 3 , Treaty of Varona If the Sovereign Pontiff should nevertheless, insist on his law being observed and must be obeyed. Pontifical laws moreover become obligatory without being accepted or confirmed by secular rulers. Elements of Ecclesiastical Law, Vol. I So could this be shown. The Pope is the ultimate owner of everything in the World. To that purpose there were many chosen, that where greater in other mens eyes then in their owne, and that sought the truth rather then their owne praise. Again, they came or were thought to come to the worke, not exercindi causa as one faith but exercitati, that is, learned, not to learne: Both we have learned the Hebrew tongue in part, and in thee Latine wee have beene exercised almost from our verie cradle. In the trust of their own knowledge or of their own sharpness of wit, or deepeness of judgment, as it were in an arme of flesh? They trusted in him that hath the key of David, opening and no man shutting ; they prayed to the Lord the Father of our Lord, to the effect that S. Augustine did; O let thy Scriptures be my pure delight, let me not be decieved in them, neither let me decieve by them. In this confidence , and with this devotion did they assemble together; not too many, lest one should trouble another; and yet many, left many things haply might escape them. If you aske what they had before them, truely it was the Hebrew text of the olde Testament, the Greeke of the new. These are the two golden pipes, or rather conduits, where-through the olive branches emptie themselves into the golde. Saint Augustine calleth them precedent, or original tongues; Saint Heirome, fountaines. And call they this an uniforme tenour of text and judgement a-bout the text, so many of their worthies disclaiming the now recieved conceit? Nay, we wil yet come nearer the quicke: Nay furtyher, did not the same Sixtus ordaine by an inviolable decree, and that with the counsell and consent of his Cardinals, that the Latine edition of the olde and new Testament, which the Council of Trent would have to be authenticke, is the same without controverie which he then set forth, being diligently corrected and printed in the printing house of Vatican? Thus Sixtus in his Preface before his Bible. And yet Clement the eight his emmediate successor, publisheth another edition of the Bible, containing in it in-finite differences from that of Sixtus, and many of them waightie and materiall and yet this must be authentike by all means. You have to understand that all slavery and freedom originates in the mind. When your mind allows you to accept and understand that the United States, Great Britain and the Vatican are a trinity of corporations, or a triangle slave Trade, which are nothing but fictional entities, that have been placed into your mind. You will understand that your slavery was because you believed a lie. This work has been done to wake you in the light of reality, in lieu of the long slumber and lifetime of darkness which all have heretofore been living in. King John “ is best remembered for granting Magna Carta in June , although he sought its annulment almost immediately. His reign was marked by a string of unsuccessful military campaigns, a prolonged struggle with the Church and the baronial rebellion which led to Magna Carta. John exploited his feudal rights to extort money from the barons: John used this income to fund his expensive wars in France, but still he failed to hold together the empire created by his father. John was an efficient and able administrator, but he was also unpredictable and aggressive. He disregarded justice when dealing with opponents, regularly taking hostages and imposing ruthless punishments. His conflict with the Church led to his excommunication. The present letter is the solemn confirmation of these acts, issued by Innocent III on 21 April He bases his assertion on the idea that papal office was conferred onto Peter by Christ and then passed on to his successors. In those days, the Church had financial and moral support from the people who believed the priest could save them from hell. And so the kings had no choice but to submit. The Unam Sanctam was never effectively rebutted and stands as law today simply because the people have not rebutted it. The Unam Sanctam provides the foundation for several other papal decrees that have resulted in the Vatican legally owning the world; yes, literally. In May another papal bull written by Alexander VI, Inter Caetera, decreed that once a land was seized by a Christian nation, another Christian nation could not seize or

establish dominion over it. Together, the , , and bulls form the justification for the Doctrine of Discovery and the global slave trade. Vatican explorers were encouraged to take over indigenous lands and enslave the people. According to Wikipedia, under the Discovery Doctrine, it states: To this day, inhabitants of the Continental United States are considered legal fictions, as represented by our all capitalized name i. Our Imperative So as you see, we the people of the United States of America absolutely MUST know who we are and assert ourselves under a constitution and form of law that reflects our status as living, conscious physical and spiritual beings, joint heirs of creation. In doing so, we will show the Vatican and Papal authority to be null and void. With such an initial handicap, even bright lower class individuals have little if any hope of extricating themselves from their assigned lot in life. Our King said through the profits of old in the divine scripture that his people where ordained to be free and that while we are in the world we are to be no part of the world. The Almighty has now sent me to testify to you that the day of redemption is near and He is coming and we His saints are coming with him. We the people of God shall bear witness of the truth and testify against those who have imposed stumbling stones upon us His people. While I understand that prophesy clearly states that the enemy is not that of flesh and blood, but of the evil wicked spirit forces of the Machine Nations, He also says, we are not to accept the mark of the beast, and as per Silent Weapons For Quiet Wars Operations Research Technical Manual TM-SW

Chapter 6 : OFFICIAL KING JAMES BIBLE ONLINE: AUTHORIZED KING JAMES VERSION (KJV)

Until recently, my wife and I both thought that the "King James Only" crowd was a bunch of "wacko Christians" who needed to stop being so theinnatdunvilla.com both felt that the NASB, the NIV, and the New King James, and the Authorized King James were basically the same, with a few differences, but nothing major.

Which version of the Bible do you read? Does it really matter? And what about those radical "King James Only" nutbags? Until recently, my wife and I both thought that the "King James Only" crowd was a bunch of "wacko Christians" who needed to stop being so uptight. We felt like those were the "accepted versions" and the only versions to worry about were those paraphrases like the Living Bible, Good News Bible, and the Message. My wife and I are very much alike. We always attempt to seek the truth, no matter how uncomfortable it makes us feel or how unpopular it is. We were actively seeking to "step outside the box" in many other realms, when, in the midst of our journey, God Himself dropped an amazing DVD into our lives entitled " Battle of the Bibles " by former evolutionist, turned Creationist, Dr. It was one of the most amazing, eye-opening lectures we had ever seen, and really waked us up about this topic. The Bible says, "Do not be deceived by the devil, but rather expose his evil deeds. We read the Bible each day, and we base our decisions based upon what God tells us. When we began to look deeper into this issue, the facts which we uncovered truly astounded us. Here is the truth: God is unchangeable, and so is His Word. This website is www. Yes, I know this is a hot issue, and most people will not take the time to really investigate enough to discover the truth. Perhaps you should purchase the " Refuel " bible for guys or the " Revolve " or " True Images " bibles for girls. I understand that they are "up to date" with the language and very "cool. What you do with the information is up to you. We both pray that this website will be profitable to you in your search for truth.

Chapter 7 : King James Bible Version - Search and Read Scripture Online

The Authorized Version, commonly known as the King James Version, King James Bible or KJV, is an English translation of the Christian Bible by the Church of England begun in and completed in First printed by the King's Printer Robert Barker, this was the third official translation into English; the first having been the Great Bible.

This faithful and exact reproduction of the very first King James Pulpit Bible is indeed a work of art and fine craftsmanship beyond compare. More than a "facsimile", it is a masterpiece. Measuring the exact size of the original printing: We even faithfully reproduced the small quantity of decorative red ink in the prefatory section. Constructed of the highest quality of thick burgundy red leather over five layers of solid birch wooden boards with extra-heavy duty stitching and large raised spine bands with gold spine stamping no detail was overlooked. It also comes with a custom-made protective slipcase. These massive pulpit folios make a great centerpiece for the communion table or the entry-way in a church. They are also quite popular as centerpieces for private home libraries. If you are looking for something that will make people stop and stare this is it! Photographs cannot adequately show what a stunning and magnificent display piece this enormous folio is. Please watch this highly informative video that gives details and fascinating facts about this treasure. Just like the more expensive "Super Deluxe" edition detailed above, this much more affordable "Deluxe" edition also measures the exact size of the original printing: Constructed of the highest grade of beautifully grained burgundy-brown Italian "Fiscagomma Leatherette" the best imitation leather in the world - actually stronger than real leather, it has a thick, soft, supple texture and a look so much like real leather; everyone who examines it in our showroom is shocked when we tell them it's not real leather. Many people insist that we must be mistaken, because after handling it they remain convinced that it is an excellent grade of genuine leather. We challenge you to see if you can tell the difference between Fiscagomma Leatherette and real full-grain leather. In fact, simply substituting this beautiful "leather-alternative" binding material, enables us to reduce the price dramatically. If you want a huge full-size exact replica of the original King James Pulpit Folio First Edition, in a beautiful binding, and at a price so low you could even buy extra copies as gifts. The Reduced-Size "Regular" Reference Edition Regular Edition. Do not confuse our photographic facsimiles with small, cheap, "reprints" you may have seen. It is a totally new type setting in a strange semi-modern Roman Style Type Face without the original woodcut decorative accents or beautiful Gothic Blackletter Style Typeface found in the original. Such reprints may maintain the ancient spellings, but they do not LOOK anything like an original. We realize that many people are not looking for a huge beautiful display Bible, but rather, they simply seek an affordable copy of the original King James Bible to use as a desk-reference or bookshelf-reference piece like a dictionary. Indeed, many of our customers who purchase one of the gorgeous full-size editions detailed above, also purchase one of these affordable reduced-size editions for their personal daily study. The binding is hardcover black imitation leather with gold stamping along the spine. Each page was computer-scanned from the original, and printed on heavy cream paper. Most people have never seen what the original King James Bible looks like, and having one in your home will provide you with a great conversation-piece, and an object of great beauty. For much less than the cost of the full-size deluxe editions above Follow Us on Social Media
