Several of the other authors were known to me, and then there was a few that I had never heard of. It never really caught my eye and was over before it began. Not the best introduction to an author I have never read. A clever story, well-written, despite not really having an explanation. However, I am sure that explaining how it could be possible would make for a much larger story. Clark, much as I have done many of her books in the past. It was in-depth, and played out an entire plot, not leaving the reader feeling as if a few pages had been ripped from another book and presented to them as a short. I do not recall a mention of fog, but I might have been too engrossed in the story to realize. It read as filler material. A slapped together tale, written with the purpose of mentioning the 3 thick items. Whereas I had heard of Nelson DeMille, this was my first encounter with either of these writers and I was left feeling relieved when the tale ended. I can understand the direction that the writers wished to take the ending, but the overall plot felt rushed. My least favorite of the set. It read like any of the other Plum novels that I have read, but I think I enjoyed it a bit more due to the fact that I knew it was a mini version of a book, instead of a full novel. I can only take so much Plum in one sitting, which is why I stopped reading the books after whatever the 3rd one was. I was hoping for a Cooper 0. It made reading this whole set worth it. The story was practically over before I could realize who was who, so I just moved on to the next contribution. I really liked this story and wished that it had been longer, much as I had with the Fairstein. This idea for a tale hooked my attention and I would read a full-length novel on the subject. It was well written, detailed and contained a self-contained story that read as a whole. Granted it could have been expanded, much as most, but it was perfectly fine the way that it was. Westlake Quick and short, but not a high note to end the book on. This one read as filler as well, and while slightly entertaining, a weak link in the book.

*The Last Peep by Janet Evanovich is a short story featuring Stephanie Plum that was first released in This was published in The Plot Thickens - a collection of short stories that were written by many bestselling authors like Mary Higgins Clark and Nelson Demille.*

She began her career writing short contemporary romance novels under the pen name Steffie Hall, but gained fame authoring a series of contemporary mysteries featuring Stephanie Plum, a lingerie buyer from Trenton, New Jersey, who becomes a bounty hunter to make ends meet after losing her job. She was born and raised in New Jersey to a machinist and housewife. After graduating from high school, Evanovich became the first in her family to attend college when she enrolled at Douglass College, part of Rutgers University, to study art. When Evanovich had children, she chose to become a housewife like her mother. In her thirties, she began writing novels. To learn the art of writing dialog, Evanovich took lessons in improv acting. For ten years she attempted to write the Great American Novel, finishing three manuscripts which she was unable to sell. After someone suggested she try writing romance novels, Evanovich read several romances and discovered that she enjoyed the genre. She wrote two romances and submitted them for publishing. Still unable to find a publisher, Evanovich stopped writing and signed with a temporary employment agency. The following year she began writing for Bantam Loveswept under her own name. For the next five years she continued to write category romances for Loveswept. Her work within the romance novel genre helped her learn to create likable characters and attractive leading men. In this time, Evanovich also became known for the humor that filled her novels. If we can laugh at something, we can face it. Her editors were not interested in her change of heart, so Evanovich took the next eighteen months to formulate a plan for what she actually wanted to write. Stephanie Plum She quickly decided that she wanted to write romantic adventure novels. Unlike the style of romance novels, her books would be told in first person narrative. Her new type of writing should contain heroes and heroines, as well as "a sense of family and community. Like Seinfeld, her new books would have a central character that the rest of the cast of characters revolves around. This occupation provided more freedom for Evanovich as a writer, as bounty hunters do not have a set work schedule and are not forced to wear a uniform. The profession is also "romanticised to some extent. She also researched more about the city of Trenton, where she wanted her books to be set. In , her initial romantic adventure, One for the Money, was published to good reviews. This was the first of a light-hearted series of mysteries starring barely-competent bounty hunter Stephanie Plum. Her subsequent Plum novels have each debuted at Number 1. All About Romance has described her as the "rare breed of romance author who has left the genre and yet not alienated her many romance fans. Evanovich shares many commonalities with her character Stephanie Plum. Both are from New Jersey, both devour Cheetos, both had owned a hamster, and both have shared "similar embarrassing experiences. This resulted in the "Full" series. In , she launched another series with Metro Girl. She collaborated with Stephen J. Cannell on a book entitled No Chance, which was to be the first book in a new series. It was supposed to be released in October However, as of July , the book seems to have been canceled. On weekends she generally works for an additional four hours each day. She generally creates a brief outline before beginning a new book, with one or two sentences about what will happen in each chapter. Upon the release of a new book, Evanovich regularly goes on book tours. Her book signings attracted people each. After book 3, all of the titles have been chosen from fan submissions. Evanovich lives in New Hampshire and Florida with her husband, Pete, whom she married in
