Who has the most children? Who has the oldest child, youngest child. Hope this helps you out. Do you only need mother types? I have several "give yourself a point" games if you need them. Otherwise, here are the mother types that I can come up with: Theres always one mother that has a famous church picnic dish! Ad Multi-mom mom of twins ect. Most grandkids, Mother in charge of the most church events,.. Hope this springs a few ideas for you. Nothing for the rest of the mothers to look forward to at all. Surprise someone who is totally not expecting anything! Mothers Day is to honor all mothers, and I always found it very disappointing that it was the same ones every year who were "honored. For example; the woman with the blue dress, floral dress, pink shoes etc. Maybe the one with the youngest and oldest child there. Hand out differnt colored lollipops at random or marbles, something in different colors and then write down the color on the piece of paper beforehand. The one with holding that color wins. The Dollar Store has so many cheap items you should be able to find prizes for lots of people. Everyone loves to win. Or if you can get enough cheap flowers have the kids hand out a single flower to each woman. You might be able to find a farmers flower market or if you tell a florist what it is for they may give you a discount. Even silk flowers would work. Best of luck to you and Happy Mothers Day By Nancy Hill [3 Comments] May 7, found this helpful my suggestions to add to the list - single mom of most, mom of youngest twins, mom most theme dressed we are having luau theme.
