We may transfer your sensitive personally-identifying information to other Bonnier offices for internal management and administrative purposes. In addition, your personal data will be transferred to other Bonnier offices where necessary for the performance or conclusion of our contractual obligations to you or for your benefit. Transfers of personally-identifying information may also be made where necessary for the establishment, exercise, or defense of legal claims. We do not transfer personal information internationally. Bonnier will only share your sensitive personal information with outside companies or individuals in any of the following limited circumstances: When we use trusted businesses or persons to process personal information on our behalf. Before sharing any personal information with outside parties, we require that these parties agree to process such information based on our instructions and in compliance with this Privacy Policy and any other appropriate confidentiality and security measures. Before we share your sensitive personal information outside of the previously listed circumstances, we will ask you for permission first. Please note that this only applies to sensitive information, as defined above. We may also use, transfer, sell, and share aggregated, anonymous data about our users for any legal purpose, such as analyzing usage trends and seeking compatible advertisers and partners. In no event will this aggregated data contain any information that could be used to identify individual users of our products or services. How we protect the safety and integrity of the information we collect We take appropriate physical, electronic, and procedural measures to safeguard and protect your personal information. We use a variety of security measures, including encryption and authentication, to maintain the confidentiality of your personal information. We store your personal information on systems behind firewalls that are only accessible to a limited number of persons, each of whom is required to keep the information confidential. When you transmit sensitive personal information to us, like credit card information, we offer the use of a secure connection to our servers. To the extent you select the secure connection method or your browser supports such functionality, all credit card account information that you supply is transmitted via secure encryption technology. We will provide notice if we become aware of any security breach that may affect any sensitive personal information pertaining to you that we have stored on our systems. Bonnier employees, agents, and contractors who have access to personally-identifying information are required to protect this information in a manner that is consistent with this Privacy Policy and may not use the information for any purpose other than to carry out the services they are performing for Bonnier. These individuals are bound by confidentiality obligations and may be subject to discipline, including termination and criminal prosecution, if they fail to meet these obligations. Bonnier only collects personal information that is relevant to the purposes for which it will be used. Though we do take appropriate steps to review and update the information that we store to ensure that it is accurate, complete, and current, we also depend on you to update or correct your personal information
