

Chapter 1 : Conceptual Physics Hewitt: Books | eBay

Paul G. Hewitt, former boxer, uranium prospector, signpainter, and cartoonist began college at the age of 28 and fell in love with physics. His name is synonymous with Conceptual Physics to physics educators everywhere.

Contact Info Paul G. Hewitt, former boxer, uranium prospector, signpainter, and cartoonist began college at the age of 28 and fell in love with physics. His name is synonymous with Conceptual Physics to physics educators everywhere. As such, any serious study of physics was out of the educational mainstream for most students. By translating the central concepts of physics from mathematical language to common English, and by explaining physics rather than proclaiming physics, and by extensive use of analogies as a teaching tool, Hewitt brought physics into the educational mainstream. His textbook, the leading physics textbook for nonscientists since , has changed the way physics is taught to both non-science and science majors as well. At the same time his classes at City College of San Francisco were videotaped, and a set of twelve lectures were distributed world-wide by Addison-Wesley. The full set of his entire course is now distributed by Media Solutions in San Francisco. The high school text is now in its fourth edition, and is now published by Pearson Education, Inc. Translations of both texts find Conceptual Physics popular worldwide. Since he taught an evening course for the general public at the Exploratorium in San Francisco. He has taken leaves to teach physics at the University of California, both at the Berkeley and Santa Cruz campuses, and then at the University of Hawaii at both the Hilo and Manoa campuses, where his course was again videotaped " a complete course of 34 lectures, Conceptual Physics Alive!. These are available from Arbor Scientific Company. Andrews College in Vermont. It is published by Addison-Wesley. Another book by Pearson Education, Inc. These are in step with the Conceptual Physics books, and are additionally posted here on this website, and on ConceptualAcademy. The screencasts, called Hewitt Drew It! Hewitt mainly resides in St. Petersburg, Florida, with his wife Lillian, who helps in development of the textbooks and the screencasts. They reside part time in San Francisco.
