Plot[edit] The Alchemist follows the journey of an Andalusian shepherd boy named Santiago. Believing a recurring dream to be prophetic , he asks a Romani fortune teller in a nearby town about its meaning. The woman interprets the dream as a prophecy telling the boy that he will discover a treasure at the Egyptian pyramids. Early into his journey, he meets an old king named Melchizedek or the king of Salem, who tells him to sell his sheep so as to travel to Egypt and introduces the idea of a Personal Legend. Your Personal Legend "is what you have always wanted to accomplish. Everyone, when they are young, knows what their Personal Legend is. Santiago then embarks on a long path of working for a crystal merchant so as to make enough money to fulfil his personal legend and go to the pyramids. When they reach an oasis, Santiago meets and falls in love with an Arabian girl named Fatima, to whom he proposes marriage. She promises to do so only after he completes his journey. The boy then encounters a wise alchemist who also teaches him to realize his true self. Together they risk a journey through the territory of warring tribes, where the boy is forced to demonstrate his oneness with "the soul of the world" by turning himself into a simoom before he is allowed to proceed. When he begins digging within sight of the pyramids, he is robbed yet again but learns accidentally from the leader of the thieves that the treasure he seeks was all the time in the ruined church where he had his original dream. Background[edit] Coelho wrote The Alchemist in only two weeks in He explained that he was able to write at this pace because the story was "already written in [his] soul. Albeit having sold "well", the publisher after a year decided to give Coelho back the rights. Returning from the excursion, Coelho decided he had to keep on struggling [7] and was "so convinced it was a great book that [he] started knocking on doors". Despite this, with time, Coelho decided to open up the possibility. The project stalled and the movie never materialized, reportedly because of problems with the script. Laurence Fishburne is set to direct, and to play the eponymous character. Weinstein, who rarely personally produced movies, stated that "My loyalty is not to Laurence [Fishburne], my loyalty is not to me, my loyalty is not to anyone other than Paulo Coelho. I am excited my friend Laurence Fishburne and Harvey Weinstein will be working together. A theatrical adaptation of The Alchemist was produced and performed by the Cornish Collective, which is their most successful production to date.
