Some of them live up to the hype. Some occasionally show flashes but never quite realize their full potential. Then there are others who wash out entirely. In the case of Randy Moss, you knew he was the absolute, undisputed real deal a dozen games into his rookie season. Thanksgiving in Dallas surely meant something to Moss. By all accounts, Dallas was the destination he coveted for his pro career. The Cowboys were one of the 20 teams to pass him over that spring in the draft due to the sort of character concerns that fans have learned to scoff at in the years since. If anything, Moss has become one of the cautionary tales that easily rebuffs such thinking from executives and scouts. Moss decimated Dallas on the biggest stage of the NFL regular season, with the assassin stat line of three catches for three touchdowns, all from over 50 yards. He added another catch for a two-point conversion in a statement win for the Vikings, who were propelled from a middling team the season before to one of the more exciting contenders in the league, thanks in large part to Moss. At the outset of his career, he devastated defensive backs with pure speed. That remained the case for a large chunk of his career, though it was far from the only way he could wreak havoc on a defense. Just as often, a defender could be in position to make a play, and Moss would find a way to get to the highest point at the perfect moment and rip the ball away. On-field performance is only part of the picture that made Moss a crossover star. Superstar receivers have a tendency for being outspoken divas, and Moss sometimes had a flair for the dramatic that led him to clash with coaches. At the same time, his laconic street-smart charisma endeared him to the younger fans like few players have ever. Moss was a pop culture icon in part because he was simply better than everyone else. He was also beloved for looking out for himself and not getting caught up in the dim team-first respectability politics often pushed by sports media. The biggest knock on Moss is he had a hard time getting motivated when not playing for a team with a realistic shot at contending. That jibes with his lost years with the Raiders, when he had to make do with Kerry Collins, Andrew Walker and Aaron Brooks as his quarterbacks. The moment that the Patriots swung a trade to acquire him in early , the entire world knew it was a swindle. He did, however, provide Moss with the structure, and the possibilities of winning, that gave the Hall of Famer a glorious second act in the NFL. One could argue that he was part of two of the best teams to not win a championship: By then, Moss was 35 and clearly on his way out. A yard, fourth-quarter reception set his team up for a touchdown that would have tied the game late were the Niners successful on the two-point try. After the Patriots fell behind late in Super Bowl XLII, with a chance to complete their perfect season, Brady whipped a ball improbably deep along the left sideline that fell just outside the grasp of Moss. The receiver has said that miss remains the biggest of his career even though it would have been an otherworldly play. If anything, him winning a title would have been the silver lining for frustrated casual fans. For all the intense referendums on legacy, few hold that loss, or any championship game, against Randy Moss. His greatness remains undisputed and his likeability celebrated without question. Chapter 2 : No ring to it: Best NFL players with no Super Bowl wins | FOX Sports

At the age of 40, retired NFL superstar Randy Moss is changing sports to pursue a career in the USL with the Charlotte Independence. Charlotte (N.C) " Ahead of Saturday's season opener versus the Charleston Battery, the Charlotte Independence announced the signing of former football wide receiver, Randy Moss.

In the year , however, the Minnesota Vikings may have had the best receiving duo the NFL has ever seen: Cris Carter and Randy Moss. Moss was in his third season and already had people asking whether he could wind up as the greatest receiver of all time. The sheer size that Carter 6-foot-2 and Moss 6-foot-4 brought to the field gave defenses fits and provided the Vikings with incredible offensive versatility. He had the deep, blazing speed down the field. It took a lot of work and chemistry-building between Carter and Moss to turn them into such a powerful combination. Carter and Moss developed a strong bond on and off the field. Getty Images Carter and the Vikings never expected to get Moss in the first place. With the 21st pick in the draft, Minnesota thought Moss would be long gone -- after all, his jaw-dropping performance at a pro day for scouts made him one of the most intriguing and talented prospects in draft history. The lanky wideout ran the yard dash in a blazing 4. If the time were run at the NFL Combine, it would be the third-fastest in history. Moss possessed a rare combination of speed, size and catching ability, which made it that much more shocking when he continued to fall down the draft board in . In addition to a once-in-a-lifetime physical skill set, Moss was equipped with a brilliant football mind. Moss had been arrested while he was in high school, which caused Notre Dame to rescind its scholarship offer. He then transferred to Florida State , but before he could even suit up he was dismissed for testing positive for marijuana. Moss finally began his college career at Marshall in , where he put up incredible numbers for two seasons before entering the draft. Carter also spoke with Moss about how to handle himself off the field, something he says all rookies need to learn when they come into the league. And the repercussions of making bad decisions are drastic Getty Images Carter taught Moss how to train, take care of his body and eat right. He also had the Vikings quarterbacks come down to Florida and work out with the duo over the summer to familiarize Moss with their offense. While Carter helped Moss learn how to be a professional, Moss helped Carter push himself past his physical limits. Moss caught two touchdown passes for 48 and 31 yards and had 95 receiving yards for the game. Carter also caught two touchdowns in the game. From that moment it was pretty clear that Moss was on his way toward being an elite receiver. He put up 1, receiving yards in his first year and shattered the rookie record with 17 touchdowns the previous high was . Carter and Moss continued to develop their bond, spending a lot of time together off the field. One of their favorite pastimes in Minnesota was fishing. With Culpepper at the helm the Vikings offense started off the season red-hot. They went to begin the year while averaging over 26 points per game. Minnesota finished the season , with Carter and Moss both putting up spectacular numbers. Carter ended the year with 1, yards and nine touchdowns while Moss added 1, yards and 15 touchdowns. Culpepper, who threw for nearly 4, yards that season, was a big reason why the talented receivers were able to thrive. Just to watch [Culpepper and Moss] grow in the league and not only become superstars, but also become team leaders -- it evolved right before my eyes. Moss went on to have a prolific, sometimes controversial career and set a career high with 23 touchdowns while paired with Tom Brady in New England in . He gave the team extra juice," said Carter. When he comes into the room, he lights up the room. Please check the opt-in box to acknowledge that you would like to subscribe. Thanks for signing up! Advertisement One of the best linebackers and leaders the game has seen, Lewis was the final man inducted of the seven class of members on hand. Terrell Owens was not in Canton, Ohio, choosing instead to hold his own ceremony in Chattanooga, Tennessee. He was the MVP of the title game. Jonathan Ogden was, and the big tackle made the Hall of Fame in His impact was immediate, both on the field, in the locker room, and even in pregame introductions, when his "squirrel dance" fired up fans and teammates alike. He and Ogden even did a short version on the stage. Lewis was the first player with 40 sacks and 30 interceptions in a career. Randy Moss was both, making him the most dangerous pass catcher in the game, and now a Pro Football Hall of Famer. A first-year nominee, the 6-foot-4, pound Moss brought the perfect combination of height, speed, soft hands and agility to Minnesota as the 21st overall draft pick in after a rocky college career. His 69 receptions, 17 for touchdowns, and 1, yards helped the Vikings go and earned him Offensive Rookie of the Year honors. That was just the start for the eccentric but always dynamic Moss. Moss rubbed the face and top of his bust, then delivered a sermon worthy of any church or synagogue. Not for one day did I not think God was with me. He paid tribute to his family, to the fans of his teams, and to his roots in West Virginia " he promised he would return to his hometown of Rand on Sunday to show off his gold jacket. Brian Dawkins, one of the hardest-hitting and most versatile safeties in NFL history, has been inducted into the pro football shrine. Dawkins stared at his bust and nodded his approval to the crowd. An extremely popular player for 13 seasons in Philadelphia and another three in Denver, Dawkins guaranteed he would cry during his inductions speech. He was true to his word during a passionate oration that echoed his playing style. For those going through this now, there is hope on the other side. Keep moving, keep pushing through. He averaged nearly tackles a year and spotlighted his versatility as the first player in NFL history to get a sack, interception, fumble recovery and touchdown catch on a screen pass in a game, against Houston in A first-year nominee who filled the tradition of great middle linebackers in the Windy City so brilliantly, Urlacher actually was a safety at New Mexico. Chicago selected him ninth overall in the draft and immediately converted him to linebacker. He spent two weeks in training camp on the outside, then was moved inside " for 13 spectacular seasons. I hope over my 13 seasons I made you Bears fans proud. A senior committee nominee, Kramer became eligible in after 11 seasons with the Packers in which he won five NFL championships and two Super Bowls. Now 82, he admitted to being bitter when often passed over for the hall, but that any such feelings "disappeared" when he got in this year. The Packers then won a second straight Super Bowl. Kramer also spent some time placekicking for Green Bay. He paid tribute to learning the importance of "preparation, commitment, discipline, consistency, pride, tenacity, belief in your team and belief in yourself. Puskas As a scout and general manager, Beathard spent much of his time on the road seeking talent for his teams. Green played 20 seasons in Washington, winning two championships. He was with the Redskins the previous 11 seasons. Doom has entered the Pro Football Hall of Fame. Robert Brazile, who earned that nickname by playing in all games for the Houston Oilers in his year NFL career, has been inducted into the Canton shrine. Forcefully, Brazile, who kissed his bust when it was unveiled, spoke of his upbringing in a "house filled with love" and how he and Walter Payton made history by being selected in the first-round of the same draft from a historically black college. He was in on a stunning tackles in He retired in and became a special education teacher.
