

*Tippecanoe News Rieth Riley will be closing CR W miles s of CR N Rieth Riley is closing CR W over Jakes Ditch miles south of CR N) for a culvert replacement.*

Another two-segment route, Indiana 43 travels from West Lafayette to Reynolds to the north and Cincinnati and Whitehall to the south. One half mile south of Exit for SR 43 on I Indiana 43 provides the most direct access to Purdue University in West Lafayette from Interstate 65 southbound. Exit departs Interstate 65 south for Indiana 43 south into the city of West Lafayette and the larger city of Lafayette, across the Wabash River. South of Exit , Lafayette is 12 miles away. Lebanon is 38 miles further south with Indianapolis at 69 miles. The next three exits along Interstate 65 serve the Tippecanoe County seat of Lafayette. Lafayette is the largest community along Interstate 65 between Northwest Indiana and Indianapolis. Approaching the bridge over the Wabash River, Interstate 65 is one mile north of the Exit diamond interchange with Indiana 25 north and Schuyler Avenue former Indiana 25 south. Less than a mile from Exit , Interstate 65 crosses the Wabash River. Indiana 25 travels 32 miles northeast from Lafayette to Logansport parallel to a Norfolk Southern Railroad line. The state road bypasses, or will bypass as part of the expressway upgrade project, several towns along the way including Americus, Delphi, Rockfield, Burrows, and Clymers. Indiana 25 joins Interstate 65 south at Exit Indiana 25 continues north from Logansport to Rochester and a northern terminus at Warsaw. Indiana 25 used to run through Lafayette on a shared alignment with U. The state road now follows Interstate 65 southeast to Exit before following Indiana 38 northwest to U. Indianapolis is 62 miles to the south. Indiana 26 represents another cross-state route between the Illinois and Ohio State lines. The highway enters Indiana as Illinois 9 near Ambia and exits the state as Ohio near Bellefontaine for a distance of One half mile south of the Exit diamond interchange with Indiana Once the new U. Indiana 26 constitutes a commercialized arterial leading west from Exit off Interstate 65 to U. The road was rebuilt from Interstate 65 west to U. Three miles south of Exit , Interstate 65 next approaches a folded diamond interchange Exit with Indiana 25 south and Indiana 38 by the town of Dayton. Indiana 38 begins in Lafayette, from U. Overall the state road stretches Indiana 25 west from U. The highway serves the Subaru Plant that is at the northwest side of the interchange. Interstate 65 south 3 photos 3 photos South of Exit , Interstate 65 gains traffic as it connects the Lafayette area with Indianapolis. There are no more exits in Tippecanoe County after Exit Interstate 65 enters the southwest corner of Clinton County. Indiana 28 heads west from U. Indiana 28 comprises a four-lane divided highway leading east from Exit nine miles to the Clinton County seat of Frankfort. Westward the state road travels 1. South of Exit , the next town is Thorntown at 18 miles away. Lebanon is 19 miles down Interstate 65 while Indianapolis is now 47 miles away. Nearing the Boone County line, the third set of rest areas on Interstate 65 southbound is two miles away. The rest area is now a mile away; it is the last facility until the Indianapolis area with the next one appearing 73 miles down the road near Taylorsville. Interstate 65 crosses into Boone County at the exit ramp to the rest area.
