

## Chapter 1 : 10 Funniest Adult Coloring Books

*This coloring book makes me happy. The designs are mostly floral and geometric patterns framing true-to-the-title snarky phrases. I color to relieve work stress and this coloring book is perfect.*

Your relationship has been through so many battles and come out the other side intact. You deserve a standing ovation or, at the very least, this lovely colouring book. What better way to celebrate than colouring with the love of your life? It definitely reflects more traditional gender-roles and some of the pictures are a bit too simple for coloring book enthusiasts, but overall it is funny and offers a good number of pictures that appeal to fans of adult coloring books. I think most couples who have been together for a number of years will be able to find some very relatable images. I rely heavily on customer reviews when making my purchases and strive to provide others with helpful information. Some of the pages are super fun; some not so much. Love these By Destinee Z on Apr 12, hahah this is a great book because sometimes you just need to laugh especially when life gets stressful - as married life can be! Funny! By Amazon Customer on Jan 27, Very funny! Shipping was easy, and arrived timely. I love the quotes. Some photos are simple coloring others are more entailed. Depends on the day I am having on which I choose so I enjoy that. Hilarious By Kat H. By Amazon Customer on May 22, There is nothing to color.
