It was filmed in Tuscany , Italy, during a summer holiday from Oxford University. Beckinsale was initially considered too young, but was cast after she wrote a pleading letter to the director. She became romantically involved with co-star Michael Sheen after meeting during play rehearsals. It was my first-ever play and my mother had cut out reviews of him in previous productions. And then he walked in The Whit Stillman film focused on a group of Ivy League graduates socialising in the Manhattan disco scene of the early s. In , Beckinsale appeared opposite Claire Danes in Brokedown Palace , a drama about two teenage Americans forced to deal with the Thai justice system on a post-graduation trip abroad. A then year-old Beckinsale played a teenager. She was drawn to the project by the script: Not morals, but movie values. You just never get the chance to do that. Beckinsale do what they can with their lines, and glow with the satiny shine of real movie stars. It was filmed directly after Pearl Harbor and Beckinsale found it "a real relief to return to something slightly more familiar. She found their sex scene awkward because she knew Bale well: Holden found the film "superbly acted, with the exception of Ms. Beckinsale, whose tense, colourless Alex conveys no inner life. Beckinsale was excited by the opportunity to work with De Niro, whom she had first encountered "years and years ago when I just had Lily and he was putting together a reading of The Good Shepherd. Beckinsale first appeared in the action thriller Contraband. The film, directed by Michael Winterbottom , was inspired by the case of Meredith Kercher. Club felt her "charismatic" performance was wasted. The film revolved around her character, a wry and calculating woman named Lady Susan, as she pursues a wealthy and hapless man for marriage originally intended for her daughter, though she eventually marries him herself. The film was universally acclaimed by critics [] and found commercial success in arthouse cinemas. Reviews for the film were mediocre, while it found a limited audience in theaters. Club found Brosnan and Beckinsale to be "vastly more interesting by the twin virtues of not disguising their voices and fitting so poorly into the sad-faced melodrama this movie wants to be".
