We have the program numbers for many of the programs from those provided on the original transcription labels. These anecdotal names range from barely appropriate, to completely unrelated to the script. We apologize in advance for the sheer length of this provenance section. The Adventures of Maisie has been poorly documented and inaccurately titled throughout the otr years. As such it will remain a work in progress for the foreseeable future. Sheldon Leonard is heard as the bus driver. Her present dilemma--having to work off a hotel bill as a Night Clerk--is only incidental to the plot. Offer to give any man who buys something from Eddie a kiss. The future Maharani, Delores King, demands that Maisie act as her maid, to gain ocean passage money to return to the U. Predictable hilarity and confusion ensue. We ask one thing and one thing only--if you employ what we publish, attribute it, before we cite you on it. Please consider a small donation here: By the very definition, research is imperfect. As illustrated above, even the Library of Congress can err on rare occasions. We simply tell the truth. As is our continuing practice, we provide our fully provenanced research results--to the extent possible--right here on the page, for any of our peers to review--or refute--as the case may be.
