Contents Background Official Description Evie is secretly excited to go to Auradon Prep in hopes of finding a perfect prince. Personality Evie is a girl who is smart, flirty, and very kind in the long run. Unlike most of the villain kids, she is very pleasant, to the point that she was able to make the most sour villains smile with her laughter on her sixth birthday party. While she wishes to find a perfect prince for herself, she is not foolish to fall for a prince who looks nice but has an ugly personality, as she rejected Chad Charming when she found out how arrogant he is. She is quite intelligent, especially in chemistry. Over the course of the film, she gains more self-confidence about herself and learns there is more to life than being the fairest of them all. Six months later, Evie becomes much wiser, advising Mal to stop using spells to help her adapt to her new life. She also developed feelings for Doug and eventually started dating him. Just like the color of her hair, Evie wears mostly blue and black clothing. Her usual outfit is a heart-shaped ruby necklace, a dark blue cape paired with a printed leather skirt with spiderweb leggings and black combat boots. She is very well maintained from her well plucked eyebrows to the makeup her mother insists upon. Appearance Descendants Evie beside her friends. At the beginning of the film, Evie is seen wrecking havoc with her friends in an area of the Isle of the Lost. When Maleficent gives the news that they are going to attend Auradon Prep, she is the most excited of the group, mainly because for how many princes would be there. Before leaving, the Evil Queen gives Evie what was left of her magic mirror that was put in a hand-mirror which will only help her to find things. After meeting a student named Doug who told them where their rooms are, Evie quickly falls in love with the room but immediately agrees with Mal that the room was gross. While they are both having fun, Mal reminds them that it they must prove to their parents that they were evil, then she asks Evie to ask her magic mirror where can they find the wand. Evie tries to get the mirror to tell them where the wand is, only for it be vague and misunderstand her questions. While in the museum Mal casts a spell to put the security fall asleep to get the wand. The group attempts to steal the wand, but when Jay tries to steal it, he accidentally sets off an alarm; however, Carlos is able to trick security into thinking that it was a malfunction with the system. Evie with Chad Charming. Chad decides to talk to her later on, during which Evie reveals how her magic mirror works, causing Chad to realize she cheated. Chad asks her if she could do his homework, which she agrees to do and also manages to get information from him about the coronation, which will have the wand in use. She passes this along to Mal, who decided to make a love potion laced cookie to win Prince Ben over. In the kitchen, the group nearly finishes the recipe, except for a missing ingredient: When Lonnie comes in, she asks them if they needed any help then starts talking about how her parents make her happy by baking them delicious cookies. Hearing this causes the villain kids morose, then Lonnie understands that they never received any love from their parents, causing her to cry over their misfortune and unwittingly giving Mal the tear for the recipe. The next day, Evie sees that her chemistry teacher has her magic mirror which Chad Charming gave to him. Her chemistry teacher, now knowing that Evie cheated, nearly has her expelled but is stopped by Doug who tells him it was just an accident. The chemistry teacher says that if she passes the test she will not be expelled. She also begins bonding with Doug, who encourages her to not hide her intelligence. When Mal tells Evie that Ben asked her out for a date, she helps Mal by dressing her up and giving her a nice makeover; the two bond as she does this. The next day, while the group attended class, the Fairy Godmother announces the next day is Family Day and tells them that they cannot bring their parents to Auradon but she offers them to video chat with their parents instead. Mal tries to apologize for the misery her mother made but is suddenly attacked by Chad as well. In response, Evie uses a poison spray on him. Doug is about to forgive Evie but is stopped by Chad. As the day of the coronation neared, Evie serves as emotional support for her friend, even agreeing with her that keeping Ben under the spell after the villains are freed is too much. At the

day of the coronation, she made a beautiful dress for Mal. This is something that makes her mother, the Evil Queen, happy. When Jane accidentally breaks the magic barrier in the island, Maleficent is freed from the island and she comes in Auradon castle. Fairy Godmother tries to stop her but Maleficent already cast a spell to freeze everyone except Mal and her friends. Jay and Carlos try to stop her but fails. When Maleficent transforms into her fearsome dragon form.
