HPB condition ratings New: Item is brand new, unused and unmarked, in flawless condition. No defects, little usage. May show remainder marks. Older books may show minor flaws. Shows some signs of wear and is no longer fresh. Used textbooks do not come with supplemental materials. Average used book with all pages present. Possible loose bindings, highlighting, cocked spine or torn dust jackets. Obviously well-worn, but no text pages missing. May be without endpapers or title page. Markings do not interfere with readability. All text is legible but may be soiled and have binding defects. Reading copies and binding copies fall into this category. Mint condition or still sealed SS. Absolutely perfect in every way. No defects, little sign of use, well cared for. Not necessarily sealed or unused, but close. Could be an unopened promotional or cut item. Will show some signs that it was played and otherwise handled by a previous owner who took good care of it. Attractive and well cared for, but no longer fresh. Minor signs of wear, scuffing or scratching, but will play almost perfectly. This item is in okay condition. Obviously well-worn and handled. Most vinyl collectors will not buy good or below, but some tracks on CD or vinyl will play. This movie is unopened and brand new. No defects, little sign of use. No skipping; no fuzzy or snowy frames in VHS. Attractive and well cared for but no longer fresh. Minor signs of wear, but will play almost perfectly. This item is in okay condition and basically works well. Basically plays, but may be obviously well-worn with some scratching or tape distortion. Disc or tape is intact, but may be scratched or stretched. There may be skips or distortion or product defects. Sign up for bookish emails And get a coupon for your first purchase.
