According to the Bible, the character of the nation will continue to change, but not for the better. Prophecy foretells a repudiation of the principles of civil and religious liberty. Financial and economic problems will be significant factors influencing lawmakers in the wrong direction of restricting more and more freedoms. As of June 30, , 1. Do you think this has no impact upon the economy in America? Is a degree in economics necessary to figure this out? Consider these interesting words about war from the 4th president of the United States. Of all the enemies to public liberty war is, perhaps, the most to be dreaded, because it comprises and develops the germ of every other. War is the parent of armies; from these proceed debts and taxes; and armies, and debts, and taxes are the known instruments for bringing the many under the domination of the few. Among the Romans it was a standing maxim to excite a war, whenever a revolt was apprehended. Throughout all Europe, the armies kept up under the pretext of defending, have enslaved the people. I [1] , p. And the less men submit themselves in obedience to the law of God, the more zealously will they try to enforce human laws. This will be an unfortunate and final mistake in the history of America. For "good" causes many new laws are being enacted today. For the sake of national security and safety, civil and soon religious liberties are slowly disappearing. While many examples from the past could show the danger of compromising or forsaking right principles in the name of a "greater good", the crucifixion of Christ to preserve national security is sufficient to prove the folly of these actions. And one of them, named Caiaphas, being the high priest that same year, said unto them, Ye know nothing at all, Nor consider that it is expedient for us, that one man should die for the people, and that the whole nation perish not. Bible prophecy makes clear that Christ will be crucified again in the person of his people for the sake of "national security. What can we do right now? Be ye transformed by the renewing of your mind - Romans Be very selective with regard to the things you allow into your mind - Philippians 4: Be Christ minded - thinking of Him and like Him - Philippians 2: Share the everlasting gospel by living for Christ and speaking it when necessary. Not just to be forgiven Not to play church.. But to truly become Christ-like before you die. A Christlike person is the only kind of person that could enjoy heaven and the only kind of person that could be trusted in heaven. Pray like this - Father in heaven, I am a sinner and I believe that Jesus Christ died on the cross to pay the penalty for my sins. New motives, new desires and new purposes that will be in harmony with your law of 10 commandments. I thank you and praise you for the forgiveness of my sins and for causing me to be born again right now, In Jesus, name, amen. New Testament Teacher Resource Manual , Introduction Revelation 15&#160;16 depicts some of the last events before the kingdom of the devil comes to an end. Revelation 16 records disease, war, and other catastrophic events, as well as false prophets who perform miracles and continue to teach false doctrines to deceive the people of the earth see vv. Prayerfully study Revelation 15&#160;16 and consider the following principle before preparing your lessons. Suggestions for Teaching Use the following idea or one or more of your own as you prepare to teach Revelation 15&#160;16 Imagine that the disease appeared in every nation at once and that millions died from the plague in a week. Ask your students to think about that question while studying Revelation He also saw seven more angels, each holding a vial bowl containing a plague. Draw seven bowls on the board, and number them 1 through 7 or simply write the numbers on the board. Invite students to read Revelation Write their suggestions under the appropriate bowl or number. Explain that God lets people suffer the consequences of their sins so they have a witness that they need to repent. What does John say that indicates whether the people repented or not? What might your life be like if you lived during these times? Who will the Lord destroy? Why will the Lord destroy the wicked? How will the righteous be preserved? What is the key to dwelling safely in the Lord? To help students understand that, even though the righteous will be preserved, some will still suffer, read the following statement by the Prophet Joseph Smith: Have students read Revelation Write Joseph Smith&#160;Matthew 1: Divide the class into two groups and assign each a column. Have them search the references looking for what their phrase means. Discuss their ideas, writing them on the board as appropriate. Testify that the Lord loves His people and will preserve them in the last days, even in the midst of awful destruction. Urge students to be watchful and to keep their covenants so their garments may be clean and ready. Encourage them to develop their faith and to believe all that the Lord has promised.

End Times News Scroll down for news items Updated news for which we believe relate to the end times and Bible prophecy. The news is full of Bible prophecy fulfilling events now, and there can be no doubt that we are living in the last days. Scroll down to see the news updates and you will see without doubt, taking into account the many endtime signs shown throughout this site, that we are living just before the second coming of Jesus Christ. They are strengthening for the last great crisis. Great changes are soon to take place in our world, and the final movements will be rapid ones. The condition of things in the world shows that troublous times are right upon us. The commandment few Christians follow. But is there any other agenda behind these ten commandment monuments? And what does the 4th commandment say on the monument? They conveniently miss out the part about the 7th day being the Sabbath. Our people are not half awake to do all in their power, with the facilities within their reach, to extend the message of warning. We have started a database [no personal information] to connect people of like faith with others in their areas. So if you agree with our teachings and would like to be added to the database to connect with other brethren in your area, then email us your first name and the area you live and we will try to connect you: Satan is soon to manifest signs and wonders through the fallen churches and false religions. Will you be sealed? Please seek the truth and turn to Jesus Christ now, as the time of probation is soon to close! Gonna go for and Gonna reverse unrighteous laws. Gonna reform a nation. The only reason Israel had a form of government the way they did, was because they chose not to have God lead them. Gideon knew this was wrong when the people of Israel asked him to be their king and he replied And what are these Evangelicals in the US doing? They are creating the image of the Roman Catholic beast , just as Revelation 13 prophesied. Church and state coming together, with the church directing the affairs of the state. God is not leading this, Satan is! It is not safe for them to take sides in politics God has warned His people not to become absorbed in politics. We cannot bear the sign of God as His commandment-keeping people, if we mingle with the strife of the world. We are not to give our minds to political issues. His people are to keep free from politics. They are to stand as a separate, peculiar people; the name of God our Ruler is to be in their foreheads, showing to all that He is their sovereign. And we even have a move in Israel to rebuild the third temple, which if it goes ahead, will require the Muslim dome of the rock to be taken down. And what will all this cause? It will bring about the fulfillment of the Daniel Then Armageddon will ensue! These final events are being set up right before our eyes. So we must be ready in Jesus Christ. Our lives must be fully surrendered to Him now. Do not hold onto the world any longer. Do not hold onto your sins. Let the Lord Jesus take it all from you and make you righteous in Him. Time is running out. We do not know when our personal time of probation will come to an end. So please get ready. This world and all that is in it, will soon pass away to dust. So stop holding onto dust and start holding onto the everlasting kingdom of God. The night is far spent, the day is at hand: Let us walk honestly, as in the day; not in rioting and drunkenness, not in chambering and wantonness, not in strife and envying. But put ye on the Lord Jesus Christ, and make not provision for the flesh, to fulfil the lusts thereof. It will require all of us working together to extract the hateful poison of anti-Semitism And something has to be done. But as with all these attacks that have been happening all over the world the past few years, there is one common call that comes from them - UNITY! Those of us who preach the truth and expose the plans of the state and of Babylon - the fallen churches. They cannot see that we are warning them out of love, just as God is warning them Revelation And so truth will be banned one day soon, and we will be persecuted for it. But stand fast in the Lord brothers and sisters, and be make yourself ready in Christ for the soon coming final test! Terrifying climate change warning: So what kind of changes will the Vatican be pushing for? The Sunday rest law, which will be the mark of the beast , is coming! This false sabbath of Satan will be used as the answer to the

problems of the world. Thinking to appease the wrath of God, these influential men make laws enforcing Sunday observance. They think that by exalting this false rest day higher and still higher, compelling obedience to the Sunday law, the spurious sabbath, they are doing God service. The leaders are concealing the true issue, and many who unite in the movement do not themselves see whither the undercurrent is tending. Its professions are mild and apparently Christian, but when it shall speak it will reveal the spirit of the dragon. It is our duty to do all in our power to avert the threatened danger. So what we need is to give our lives to Jesus Christ, so that when this world is destroyed, we will not be destroyed with it, and the Lord will renew this earth for us to dwell for eternity in joy and peace. Turkey is the only country that can lead the Muslim world October "Turkish President Recep Tayyip Erdogan on Monday said that Turkey was the only country that could lead the Muslim world. Because there is a prophecy in Daniel 11 that gives us an indicator of when probation is about to close. And as you will see from our other news articles, Erdogan and Turkey are seeking to gain control of Jerusalem for the Muslim world. And what does Daniel There are other reasons why the Papacy cannot be the king of the north which you can read on our page above. The last stages of Bible prophecy is being fulfilled friends. Please surrender all to Jesus, so that He can live in you and make you righteous Galatians 2: Time is running out! Yann Arthus-Bertrand is a committed photographer, journalist and documentary maker. I see only one possible way out: We need basic values that are supported by Christianity I do not believe in God, but I am very attached to the values of Christianity. It is a paper that supports the humanist way. And this is exactly what Satan is using to reach the world, including unbelievers. This is all being set up for the enforcement of the mark of the beast. But we should observe the day God gave us, not the day Rome gave us. Six days shalt thou labour, and do all thy work: But the seventh day is the sabbath of the Lord thy God: For in six days the Lord made heaven and earth, the sea, and all that in them is, and rested the seventh day: It is an institution of Papal Rome. But Satan wants his own worship, which is why he introduced a counterfeit sabbath and a counterfeit god the trinity through Rome. There are movements all over the world, led by the Roman Catholic Church to bring about a Sunday rest law, and as Revelation 13 tells us, it will be America, the second beast which will cause the world to worship the first beast Papal Rome , by enforcing the Sunday rest. Yes, the blue laws have been repealed in many places, because God is patient and is waiting for us to be ready and for more people to be reached with the truth. But the time will come, when these old blue laws will spring back into force, and America will cause the world to take the mark of the beast. Time and again, we have seen countries both democratic and autocratic serve as blueprints for others to follow. Many mocked at the idea, but now we are seeing it happen right before our eyes. And that is because Bible prophecy is sure We know that there is a movement in America to change the constitution and as this news report says - If India of 1 billion people can implement this scheme, then it will be easy for the likes of America to do it. And if you have been following this news page over the years, you will have seen that even the African nations are pushing ahead with the cashless society. The fulfillment of Revelation 13 is soon to come friends. And the climate agenda is also something they are using the bring about the Sunday law. So the question is, are we ready? Have we surrendered all to Jesus Christ?

## Chapter 5 : End Times News Update - Bible Prophecy News

*Books by David Olshine The Revelation Epic: Preparing Youth Groups for Earth's Final Days. Author: David Olshine. Tag-Team Youth Ministry.*

Who is the Beast in Revelation? Who is the Antichrist in Revelations? Two of the most asked question today in relation to Bible prophecy would be who is the antichrist or who is the beast of Revelation. There are in fact two beasts found in Revelation chapter 13 and the first is the one most enquire about as it relates to the mark of the beast. The fact is that the first beast in Revelation 13 is synonymous with what the Bible refers to as the Antichrist, which is not one person but an apostate system that has existed for many centuries now and has its roots in literal Babylon. This why scripture often calls this apostate system Babylon. In recent years there has been a remarkable fulfilment of apocalyptic prophecies. It has been exciting and faith building to witness. But it also is sobering since fulfilled prophecies indicate that the remaining last day prophecies including those in regards to the antichrist beast power are soon to follow. Unfortunately, some Christians do not want to face the coming reality of the prophecy of Revelation chapter 13. And the beast which I saw was like unto a leopard, and his feet were as the feet of a bear, and his mouth as the mouth of a lion: And I saw one of his heads as it were wounded to death; and his deadly wound was healed: And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed. And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. This is a frightening prophecy for some that predicts that a coalition of religious and political powers will align themselves under the leadership of the Antichrist beast to cast the world into a boiling caldron of affliction. There will be a great time of trouble unlike the earth has ever seen before Daniel. Some theologians have even suggested that this tribulation will be worse than we can imagine. So with the future looking so bleak, we can easily appreciate why some have chosen to remain ignorant about final day events. The most prevalent false teaching promises a pre-tribulation rapture and appears attractive against the backdrop of Armageddon and the mark of the beast. But ignorance and false doctrine will only leave their victims destitute and lost under the withering blast of the final tribulation. The desire to live in peace and security is understandable. Few of us, in our introspective moments, feel capable to stand for God and His truth when demons will overrun the earth. But despite these natural fears and aversions, we must not chase after promises that are not founded upon the sure Word of God. While we should focus on the love of God for sinners and the true security that comes from making Him Lord and Saviour of our life, we should also heed the warnings of the Spirit concerning the last days. The Scripture we should heed most is that which warns us against worshiping the beast. Consider these very sobering facts. All who worship the beast will forfeit the experience of eternal life with Jesus in a glorious new world Revelation. They will be inflicted with the extremely painful and fearsome seven last plagues Revelation. And finally, they will suffer utter destruction in the hot fires of hell Revelation. Without question, we do not want to be found worshiping the beast in the days to come. Read also who or what is the antichrist today. But what assures us we will not be in this group? And note that it is no small group. Judas knew Jesus as the Messiah and yet betrayed Him. In the same way, many of those who understand last day prophecies will ultimately find themselves on the wrong side being the side of the beast. Knowledge is definitely not enough. So how can we be on the winning side when all the dust settles? Who will worship the beast and what can we do today to keep from being part of that wrong group. This Earth's Final Conflict We must first understand that the final conflict will be over worship. All the inhabitants of the earth will be divided into one of two groups before the end; those who worship the Beast and those who worship the Creator. Creature worship versus Creator worship will be the issue to divide the world in the final days of this Earth. Every single person will have to make a decision as to whom they will worship. How will the whole earth be brought to make this choice between the creature and the Creator?

The Bible predicts a time when the beast will gain very powerful political influence. From this position of authority, he will force people to worship him. Those who refuse will be boycotted economically and eventually sentenced to death. And there followed another angel, saying, Babylon is fallen, is fallen, that great city, because she made all nations drink of the wine of the wrath of her fornication. And the third angel followed them, saying with a loud voice, If any man worship the beast and his image, and receive his mark in his forehead, or in his hand, The same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb: In this Earth's final days, the entire world will be sandwiched between the two cosmic forces. And there will be no neutral ground, and no demilitarized zone. Everyone will have to make a choice as to whom they will serve and worship. The Final Battle Will Be Over Worship This last conflict over worship is actually the grand finale to a long drama that began in heaven before man was even created. Lucifer, a created angel, decided his superior beauty and intelligence qualified him to better rule the universe than his Creator. For you have said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north: I will ascend above the heights of the clouds; I will be like the most High. This left God with no choice but to take drastic measures. Why did Eve eat the fruit from the forbidden tree? Simply because she lacked trust in God. And Adam also distrusted God, but unlike Eve, he was not deceived 1 Timothy 2: He could not dream of life without Eve. So you see that worship and obedience are synonymous. They truly worshiped the beast. Will we obey and worship the beast or obey and worship the Creator? Only those who trust and obey God will enter the pearly gates. Examine any false religion and you will find it is based upon distrust and disobedience of God. Paul makes this point in Romans 1: We have put our own opinion and feelings above the revealed will of our Creator God. The Issue Of Secular Humanism This age in which we live has normalized this false religion of self worship. We even have a name for it; humanism. Thousands of years ago, God predicted this humanistic movement. It is symbolized in prophecy both as the king of the south Daniel Consequently, America is now reaping the same whirlwind of degradation that France did in the wake of its Revolution. For lack of moral fibre, the United States is unravelling at the seams. The current epidemic of homosexuality, adultery, crime, and other debasing actions should not surprise us. It actually allows homosexuals to be ordained to ministry. Although they have many sincere and dedicated members, these Church organizations are as guilty of humanism as are the secularists. The Roman Catholic Church protests that it transferred Christian worship from the biblical Sabbath Saturday to Sunday, and that to try to argue that the change was made in the Bible is both dishonest and a denial of Catholic authority. If Protestantism wants to base its teachings only on the Bible, it should worship on Saturday. Why, then, do Christians observe Sunday instead of the day mentioned in the Bible? the infant Church changed the day to be kept holy from Saturday to Sunday it rests upon the authority of the Catholic Church and not upon an explicit text in the Bible. Preface by Cardinal Griffin. Tan Books and Publishers, But the facts of history and Scripture are stubborn things. They unquestionably testify to the accuracy of what these Catholic authors have asserted. The Roman Catholic Church did do the final change to the day of worship, and the Bible does not authorize it. So with all due respect to Sunday keepers, Churches and pastors who spin fine sounding arguments as to why the fourth Commandment does not need to be obeyed are following faulty reasoning as flimsy as a spiders web. All reasons for disobedience which man can amass have one thing in common. They are founded upon humanism. A common problem is also the inability to tell the difference between laws. There were seven sabbaths associated with the sacrificial, law such as Passover and the Day of Atonement. This has caused a lot of confusion and led many to believe that Paul said not to let anyone judge us for not keeping the fourth Commandment when in fact he was referring to the ordinances of the law of sacrifices. The Humanistic Little Horn God wants us to flee from humanism. Many times, He has warned us against its deadly influence and shown how it would infiltrate the Church. Using the symbol of a little horn in Daniel chapter 7, God predicted that the Antichrist would be humanistic. True Christians ask only two questions: But because the Antichrist

looks at things through humanistic eyes, he is led to some fearfully bold actions. And note that He has especially attacked those laws which exalt God as Creator; laws such as the second and fourth Commandments. The second Commandment forbids the making of graven images and bowing down to them.

In chapters 2&3 the Lord reveals to the seven churches their strengths and weaknesses and invites them to prepare for the future by repenting and learning to overcome the world. Prayerfully study Revelation 1&3 and consider the following principles before preparing your lessons. Because our Heavenly Father loves His children, He chastens them so they will repent see Revelation 2: Suggestions for Teaching Choose from the following ideas, or use some of your own, as you prepare lessons for Revelation 1&3. The Lord ordained the Apostle John before mortality to write the book of Revelation. How is the Lord able to reveal future events? Point out that the Lord told Nephi about the book of Revelation centuries before it was written. What does that teach us about the importance of the book of Revelation? Testify to students of the value of studying the book of Revelation. Discuss the changes made by Joseph Smith. How can we help to fulfill the mission God has asked us to do? The main emphasis of the book of Revelation is on the last days and the Second Coming of Jesus Christ. How does a microscope differ from a magnifying glass in what it can show? What are the benefits of seeing the smallest details? How can we benefit from seeing a bigger picture? Read the Joseph Smith Translation of Revelation 1: For what event is the book of Revelation written to prepare the Saints? What does this teach about the importance of the book of Revelation to us today? Tell students that the Lord has taken great care to make the book of Revelation available to us. Encourage them to study it carefully. As we heed the revelations of God, He will lead us back into His presence. To help students learn and benefit from the same principles, draw on the board a road that branches in several directions. Invite students to imagine being at the crossroads trying to determine which direction to go. How can this illustration be compared to life? How do you choose which direction you will go? What resources are available to help you make the best choice? Have a student read the following statement by the Prophet Joseph Smith: How can the Holy Ghost help us choose a direction in life? To what destination will the Holy Ghost ultimately lead us? If God desires to give us direction by revelation through the Holy Ghost, what is our responsibility? Have students read the Joseph Smith Translation of Revelation 1: According to these verses, what can we do to allow the words of this revelation to bless our lives? Write the answers on the board and discuss how they apply to the students. The answers might include: Read them Understand them Keep or obey them Explain that though John was speaking in these verses of the words of the book of Revelation, the same principles apply for any revelation. We must read the words of the scriptures and our patriarchal blessings. We must listen to the words spoken by living prophets and the whisperings of the Spirit. We must ponder these words and think how they apply to our lives. And we must follow them. John was commanded to write what had been, what was then, and what was to come. This teaching suggestion could be taught as part of the teaching suggestion for Revelation 1&22 p. Show the students a collection of objects representing the past, present, and future. You could represent the past with such objects as a journal, old pictures, a birth certificate, or a history book. You could represent the future with seeds, a wedding announcement, a patriarchal blessing, or a mission application. Go through the objects with the class asking them to identify whether they represent the past, present, or future. Write on the board Past, Present, Future. Have a student read Doctrine and Covenants Why is this a good definition of truth? Discuss the advantages of knowing about the past, present, and future. What do these verses tell us about Jesus Christ? He was, and is, and is to come. He is the First and the Last. What do you think these verses mean? One answer is that Jesus created the earth, He guides and sustains us now, and He will come to the earth again in glory. Why is it appropriate that John should write of things that were past, present, and future? Point out that since Christ is the First and the Last, to understand Him we must understand the past, present, and future. The book of Revelation speaks of events from each of these time periods. You may find it helpful to read scriptures on each period from the accompanying chart. The majority

**End Times Timeline** Are you searching for a timeline of end times events? Well, although we can give you a sequence of end time events of prophecy yet to be fulfilled, we cannot provide specific dates for this timeline, because all time prophecies in the Bible have now been fulfilled. The 70 weeks of Daniel has been fulfilled. The day prophecy of Daniel has been fulfilled. So although we know the sequence of end time events to happen, we cannot set any dates or a specific timeline for them. Bible Prophecy to be Fulfilled So what are the events in Bible prophecy to be fulfilled? Below you will see a sequence of end time events that are to be fulfilled before the second coming of Jesus and the end of the world. Now although we cannot fix a definitive timeline to these end times final events, we believe that ALL of these events prophesied will be fulfilled in our lifetime. Major events are taking place all over the world now and ALL Bible prophecy is soon to be fulfilled. **Where We Are Today: Another Possible Huge Crisis to Come:** But there is yet another possible huge crisis to hit the world. This crisis to come upon the world will be the catalyst for the governments to bring on the mark of the beast. Whatever it is, there is a big crisis coming. The whore of Babylon. So the leaders of this world will unite and give their power and support to the Papacy Roman Catholic Church , and then the world will be in a position ready to enforce the mark of the beast. **The Mark of the Beast Enforced by Law:** Revelation 13 tells us that the mark of the beast will be enforced upon the whole world They will convince the world through deception that all these troubles are the judgments of God because of us not keeping His law. And this is starting to happen already. And there followed another angel, saying, Babylon is fallen, is fallen, that great city, because she made all nations drink of the wine of the wrath of her fornication. And the third angel followed them, saying with a loud voice, If any man worship the beast and his image, and receive his mark in his forehead, or in his hand, The same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb: And the smoke of their torment ascendeth up for ever and ever: Here is the patience of the saints: God will give power to this final message to the world with His Holy Spirit, and many hearts will be convicted of the truth and will come out of Babylon. **The Final Choice for the Seal or Mark:** We will all at this time have to make one final choice. A choice to take the side of Christ Jesus and receive the seal of God Revelation 7: Then we will have a world with only two groups of people. **The Door to Salvation is Closed:** So now at this point, there will be no more opportunities to be saved. If you are lost, you remain lost, and if you are saved, you remain saved. Who will receive your allegiance? The beast system Papacy , or our Heavenly Father? When "Michael" stands up, as described above, the door of mercy is forever closed. At this same time, the Spirit of God will be withdrawn from the earth and the world will be plunged into great spiritual darkness, with Satan using all His evil ways against the saints of God, unleashing his full fury upon them **The Seven Last Plagues:** These plagues will be the "wine of the wrath of God, which is poured out without mixture. In other words those who receive the mark of the beast will receive the FULL wrath of God, and there will be no mercy "mixed in" with His judgments plagues. Now these plagues ONLY fall upon the lost. **The Battle of Armageddon:** The battle of armageddon is the climax of the spiritual war that has been raging between Christ and Satan since the beginning. If we "could" give a definitive timeline for the events above, then we would place the above three end time events of "The Time of Trouble", "The Seven Last Plagues", and "The Battle of Armageddon" close together, because all three events are closely connected. **The Second Coming of Christ Jesus:** The second coming of Christ will be a glorious, visible, fiery event that will make all other end time events look ordinary! Accompanied by billions of mighty angels, Jesus will return in great glory to deliver His people. **Click here to learn the truth.** **The Resurrection of the Saints:** And together with the saints who have gone through the great tribulation and are still alive, will meet Jesus in the air Then

we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: The rest of the dead will not live again until the years are over The Year Millennium: Click here to learn the truth about the year millennium as this is an important issue concerning the last days. The wicked are resurrected and Satan gathers them together to fight and take the New Jerusalem And the devil that deceived them was cast into the lake of fire and brimstone, where the beast and the false prophet are, and shall be tormented day and night for ever and ever. So the wicked are thrown into the lake of fire, where they are consumed and cease to exist, again contrary to popular belief. Even Satan himself is finally destroyed and will cease to exist. First it destroys the wicked, included Satan himself. Secondly God uses it to cleanse and renew the earth. This time the earth is going to be renewed with fire And sin is no more! These are the end times events. These are the Bible prophecy events to be fulfilled. But as we said in the beginning, we cannot give a definitive end times timeline, because we do not know how long these end times events will last. The one thing we CAN say for sure is that once the mark of the beast is enforced, we will know that we are living in the very last days, just before the second coming of Jesus and the end of the world as we know it. I pray that you will study each of the end time events listed and seek the truth with all your heart. Jesus is coming soon. Keep watching, waiting and serving God with all your heart, soul, mind and strength.

## Chapter 8 : Who Is The Beast In Revelation - The Antichrist

*Revelation 1 The Revelation of Jesus Christ, which God gave Him to show to His bond-servants, the things which must soon take place; and He sent and communicated it by His angel to His bond-servant John, 2 who testified to the word of God and to the testimony of Jesus Christ, even to all that he saw.*

Jenkins , dealing with Christian dispensationalist end times pretribulation, premillennial, Christian eschatological viewpoint of the end of the world. The primary conflict of the series is the members of the Tribulation Force against the Global Community and its leader Nicolae Carpathia –the Antichrist. Left Behind is also the title of the first book in the series. It is published by Tyndale House , a firm with a history of interest in dispensationalism. Contents [ show ] Plot summary Based on dispensationalist, premillennial, pre-tribulation interpretation of prophecies in the Biblical books of Revelation, Isaiah, Daniel, and Ezekiel, Left Behind tells the story of the end times, in which many have been " raptured ," leaving the world shattered and chaotic. As people scramble for answers, a Romanian politician named Nicolae Jetty Carpathia rises to become secretary-general of the United Nations , promising to restore peace and stability to all nations. What most of the world does not realize is that Carpathia is actually the Antichrist foretold from the Bible. Coming to grips with the truth and becoming born-again Christians, Rayford Steele , his daughter Chloe , their pastor Bruce Barnes , and young journalist Cameron "Buck" Williams begin their quest as the Tribulation Force to help save the lost and prepare for the coming Tribulation, in which God will pour down judgment on the world for seven years. Book 10 debuted at number one on this list. Total sales for the series have surpassed 65 million copies. The plotting is brisk and the characterizations Manichean. People disappear and things blow up. But those views are not universally shared. Other reviewers have called the series "almost laughably tedious" and "fatuous and boring. It has been translated to many languages including Chinese and Japanese. There is, however, a protracted lag in translation; as of September , the Chinese version of Book 11 is in the press and the Japanese version of Book 6 has been published. In other areas, such as Europe –where dispensationalism is largely non-existent –the books have been far less successful. Doughten, an Iowan film-maker who directed a series of four low-budget feature-length films in the s and s about the Rapture of the Church and the Second Coming. Crawford Gribben has shown that there were successful rapture fiction novels as early as , with some earlier works identified as dating from The series has been criticized for the poor depiction of the pantheist and universalist belief that the Enigma Babylon World Religion indicates, which has overtones of Hinduism and Buddhism. The show explained that Bible prophecy is nothing new, and that the vague descriptions in the book of Revelation can apply to almost any location at any time. The Left Behind series was featured, and Jerry B. Jenkins stated, "In my mind, in a way, we are sales people for the Gospel. So there is nothing wrong with money if you use it right. From the perspective of a non-dispensationalist evangelical Christian, it generally criticizes the books for poor writing, bad biblical scholarship and for presenting an unflattering view of God. The series has also been accused of plagiarizing. One website states that: In an interview in the March 28, issue of the Assembly of God magazine Pentecostal evangel, he insists that "Left Behind is the first fictional portrayal of events that are true to the literal interpretation of Bible prophecy. It was written for anyone who loves gripping fiction featuring believable characters, a dynamic plot that also weaves prophetic events in a fascinating story. He was ordained in the Church of Ireland and worked there to convert Catholics. He joined a dissident group called the Plymouth Brethren and became a prominent leader. Eventually he would distance himself from the Brethren group and travel Europe, United States, and Canada from spreading his views on the rapture. Some premillennialists, while accepting many of the basic beliefs behind the series, describe problems with specific prophetic teachings in the Left Behind books. For instance, in The Mark, Chang Wong receives both the mark of the beast and the sealing of the Lord and he is later able to go to heaven, despite having the mark. He was saved because he did not accept the mark of the beast; he was forced to receive it because he was involuntarily put to

sleep and then given it. This has led some readers to wonder how a Christian can have the mark of the beast and still be saved, which many readers voiced on the Left Behind messageboard, and which was answered on the FAQ page at LeftBehind. Mainstream Christianity Along with some other rapture fiction novels, the Left Behind series demonstrates a different understanding of the gospel and the Christian life than that taught within the historic orthodoxy of evangelical Protestantism. Most Christians deny the key eschatological beliefs underpinning the plotline and the books have not sold particularly well outside of the United States. Dispensationalism remains a minority view among theologians. For instance, amillennial and postmillennial Christians do not believe in the same timeline of the Second Coming as premillennialists, while preterist Christians do not interpret the Book of Revelation to predict future events at all. Brian McLaren, a self-appointed spokesperson of the Emergent Church, compares the Left Behind series to The Da Vinci Code, and states, "What the Left Behind novels do, the way they twist scripture toward a certain theological and political end, I think [Dan] Brown is twisting scripture, just to other political ends. Harvey Cox, a professor of divinity at Harvard, says part of the appeal of the books lies in the "lip-licking anticipation of all the blood," and theologian Barbara Rossing, author of The Rapture Exposed: The Message of Hope in the Book of Revelation, said the books glorify violence. Large chunks of several U. As Rayford watched, the soldiers stood briefly as skeletons in now-baggy uniforms, then dropped in heaps of bones as the blinded horses continued to fume and rant and rave. Seconds later the same plague afflicted the horses, their flesh and eyes and tongues melting away, leaving grotesque skeletons standing, before they too rattled to the pavement. But in the Left Behind novels the darkness of that human, satanic violence is once again attributed to God. As a result some believe the books are Anti-Catholic, noting that many Catholics were not "raptured. While the fictional Pope, John XXIV , was raptured, he is described as having embraced some of the views of the "Father of Protestantism" Martin Luther, implying that he was raptured for this reason. Jimmy Akin, writing for Catholic Answers, details the series as anti-Catholic. The books are listed initially in story-line chronological order but then numbered in order of publication.
