They kept the front door as closed as possible to minimize air conditioning loss. They protected the wall corners and spent a great deal of time cleaning two couches. After they finished cleaning, they provided us with plastic booties to wear until the carpet dried and walked us through the areas cleaned. Everything dried in less time than they told us. The couches and the carpets look great. I will definitely use Tread Lightly again and will recommend them to my friends. We just had our carpets done this morning by Tread Lightly. They were prompt, thorough, and pricing was incredibly fair. Our carpets look brand new and smell nice and fresh. The cleaning solution they use was very mild for my small kids. We are very happy and will definitely be calling them again. We cannot thank them enough! I have a dog and two young kids and I was concerned about the condition of my carpet. I called Tread Lightly and spoke with Matt, who was very professional and knowledgeable. I was treated like a priority and was able to schedule my appointment before my move out date. Once there, Neal and Jesse walked me through their process, asked me if I had any specific concerns, and got started right away. The results were amazing! I was able to get my entire deposit back!!
