

Chapter 1 : UNILEVER BURSARIES – Education Guide

Bursaries online applications processes are made available with the opening of the application process. There are multiple sites where applications can be made, nonetheless, it is suggested to apply directly via the Unilever Webpage, and each available bursary will be stated on this page via a word document.

The Bursary is to the value of R20 per annum and is intended to assist needy medical students who have good academic records. Application forms may be downloaded from our website from 15 January via www.unilever.com. Financial need is important when applications are considered. Historically disadvantaged groups are particularly encouraged to apply. Answer all questions in full, and enclose two recent testimonials with your application. Applicants are also expected to furnish a copy of their previous exam results before the closing date. It may not be utilized for accommodation, books or any other related fees. All students are requested to submit certified proof of financial circumstances before bursaries are awarded. The continuation of the bursary will be conditional upon the continued pass rate of the student. The first portion of the bursary in the amount of R10 The remaining portion of R10 This bursary will be non-exclusive although other bursaries that the recipient receives, need to be declared. The bursary will only be granted to students from the 2nd year up to the 4th year of studies. SAMA will contact the universities with regard to bursaries to 1st year students and advise all 1st year students to ensure that they have apply with the universities of their choice timeously. SAMA will not accept any 1st year student applications. The process of selection for bursaries to 1st year students will be finalized by 30 April Applications received before or after these dates will not be considered under any circumstances. The process of selection for bursaries to 2nd and 3rd year students will be finalized by 30 April and the successful candidates will be contacted telephonically. Applicants who have not received any notification by 1 May may assume that their application has been unsuccessful. The decision of the Bursaries Selection Committee is final and no correspondence will be entered into with regard to unsuccessful applications. Due to the large number of applications received it will not be possible to acknowledge receipt of applications, or to advise all applicants of the outcome. For this reason only successful candidates will be advised.
